FINDERS KEEPERS?

By Maryssa Dennis
(Based on a true story)

I found this in the courtyard. I thought someone might come looking for it.

Oh, thank you!

You're such a goody-goody.

I can't believe you wouldn't share.

I know I did the right thing.

A WEEK LATER

The headmistress wants to see you in her office.

Am I in trouble?

Come in, Mike! I just wanted to thank you for turning this in. Not many people would have. You're a good example.

Oh! Thank you.

We held it in case someone came looking for it. But no one did. I thought you should keep it.

Wow, thank you!

Even if I hadn't gotten the money back, I'm glad I was honest.
