*Seni Preseten Thomas S. Monson*

*Amo sipwe pwara me ammonata ne uta ren met sia nuku.*

Pwii kana mi achengicheng, ua fakkun pwapwa ne nonnom remi nepwinei. Kich chon angei an Kot pristut sia chufengen non ach pwipwi fengen.

Sia anneani non Doctrine and Covenants, sopun 121, wokisin 36, pwe ekkewe tufichin ewe pristut mi chufengen fochoch ren ekkewe manamanen nang (nengeni Doctrine and Covenants 121:36). Mi eu niffang napanap sia angei---ne angei ewe pristut, minne mi chufengen fochoch ren ekkewe manamanen nang (Nengeni D&C 121:36). Nge, ei niffang, mi masou ngeni feioch fiti wis mi auchea. Mi namwot pwe manauach repwe wenewen pwe sipwe nimenimoch ren ewe pristut sia angei. Sia manau non eu fansoun nupwen a wor chommong mettoch mi ariki mi tongeni esenipato tanon kich. Pwe sipwe touau seni ekkana mettoch mi namwot pochokun me pwara.

Ua chechemeni eu fansoun---me ekkoch ami oupwe pwan chechemeni---nupwen fofforun aramas mi usun chok ach. Nge ei ese chuen ennet. Ua keran anneani non ewe *New York Times* usun eu mettoch mi fis fan 2008. An emon chon kaeo ekiek seni ewe sukkun Notre Dame a emweni ekkoch chon kaeo non ar interfiuini 230 serafo non Merika. Ua nuku pwe sia tongeni chok nuku pwe niwinin mi nonnofengen ekkis meinisin won fonufan.

Upwe anneani ekkis seni ei taropwe:

“Ekkewe chon fori interfiu ra eisini ekkoch kapas eis usun met mi pung me met mi mwani, osukosuken fofforun nimenimoch, me ewe popunapen manau. Non ar kapas,... aua kuna ekkewe serafo ra chok kakapas. Nge ese naf ar kapas are weweoch ne apasa met ra mochen.

“Nupwen repwe awewe eu sosotun nimenimoch ra weri, ru-ne-unungat seni ekkewe serafo rese tongeni ponueni ewe kapas eis are ra awewe mettoch ese fich ngeni ewe kapas eis, usun chok ika repwe monatiw mon nenier are ika mi naf foun moni ne kamo ewe nenien anomu taraku.”

Ewe taropwe a sopweno:

“Ar kapas, minne napengeni ra niwinsefan ngeni fan chommong, ina pwe finatan nimenimoch mi anonganong won emon me emon. ‘Mi anonganong won emon pwisin,’

ekkewe chon fiti ra apasa. ‘Mi anonganong won emon me emon. Ion ngang ne apasa fan iten meinisin?’

“Rese afanni mwumwutan ekkoch aramas, chommong nein ekkewe serafo ra kapas seni pwan ewe epek, [ra apasa]: ‘Upwe fori met ua ekiekin epwe apwapwaitiei. Ese wor pwan eu an minne upwe sinei met upwe fori nap seni ai memmef chok.’”

Ekkewe ir mi fori ekkewe interfiu ra kapas pwe napengeni ekkewe serafo ra kapas ngeni “rese angei ekkewe tufich---seni sukkun, are famini---ne kakaeo met mi pung non pekin fofforun nimenimoch.” <sup>1</sup>

Pwii kana, esap wor emon nein ekkewe ir mi rongorong mongungui ar repwe tipemwaremwar usun met mi pung, nge resap pwan tipemwaremwar usun met mi namwot non pekin chon angei an Kot we pristut. Sia fen kaeo me sopweino ne kaeo an Kot kewe annuk. Ina mo met oua kuna are rongorong, ekkei annuk rese siwin.

Non manauach iteitan ran, napengeni epwe fis pwe ach nuku epwe weri sossot. Meni sipwe kuna pwe sia nom nein ekkoch aramas nge sia chuen aneamon chok non pekin met sia nuku mi pung me met mi mwan. Mi wor ach pwara ne uta pochokun non ach nuku, ina mo ika sipwe uta anaemon. Pwe chon angei an Kot we pristut, mi namwot pwe sipwe uta---ren pwara---ngeni met sokkun osukosuk sipwe weri. Oupwe chechemeni kapasan Tennyson: “Ai pochokun mi usun chok pochokunen engon, pokiten netipei mi ennet.” <sup>2</sup>

A napeno, an ekkoch aramas mi itefouno me pwan ekkoch---ren och popun---mi nom fan mesen aramas, ra esita namanam me, fan ekkoch, ewe Mwichefen. Ika ach kapasen pwarata rese pochokununo, ekkana kapasen esit ra tongeni efisata tipemwaremwar usun ach nuku are osukosuk ne anneasochisi annuk.

Non an Lai a nemasepwu usun ewe iran manau, non 1 Nifai 8, Lai a kuna, fiti ekkoch, ekkewe ir mi komoch ewe senin mecha tori ra feito me angei ewe foun ira seni ewe iran manau, minne sia sinei mi tupuni ewe tongen Kot. Ua nuku pwe ewe aewin mettoch mi fis ngeniei nupwen ua pwara ren met ua nuku a fis nupwen ua fiti sounfium Merika nesoponon ewe Oruan Maunen Fonufan.

Ewe sukkunen sounfiu ese mecheres fan itei, ese pwan mecheres fan iten meinisin mi fiti. Non ekkewe unungat wik akkomw ua nuku pwe manauei epwe mucheno. Ewe navy ese mochen osukkunaei; a mochen niieino.

Upwe fakkun chechemeni nupwen Raninfel a feito mwirin ewe aewin wik. Aua angei poraus seni emon meinap. Am aua uta won ewe nenien osukunna fan ewe asepwanin California mi fou, aua rongorong an kapas: “Ikenai ami meinisin oua fiti fan---meinisin, chinon chok ngang. Upwene asoso!” Mwirin a pupuchor, “Meinisin ami chon Catholic, oua chufengen non Camp Decatur---ousap niwinto tori kunok unungat. Oune fetan!” Eu mwich watte a fetan. Mwirin a pupuchor sefan, “Ami chon Jews, oua chufengen non Camp Henry---ousap niwinto tori kunok unungat. Oune fetan!” Eu mwich kukkun a fetan. Mwirin a apasa, “Nusun ami chon Pirostan, oua chufengen non Camp Farragut---ousap niwinto tori kunok unungat. Oune fetan!

Muttir chok a toriei eu ekiek, “Monson, esap en emon chon Catholic; esap en emon chon Jew; esap en emon chon Pirostan. En emon Mormon, iwe ka chok uta ikkei!” Ua tongeni erenikemi pwe ua mefi anaemon chok. Uren pwara me pochokun, ewer---nge anaemon chok.

Mwirin ua rongorong ekkoch kapas mi fakkun och minne ua rongorong emon meinap a apasa. A neneto ngeniei me a eisini ei, “Iwe met oua kokkori pwisin ami?” Tori ena fansoun use sinei pwe mi wor pwan ekkoch mi uta mwiri. Am meinisin aua apasa fengen, “Mormon!” Mi weires ne awewe ewe pwapwa mi tori netipei nupwen ua kuna pwan ekkoch sounfiu.

Ewe meinap a apwerika chauan fan an osukosuk nge a apasa, “Iwe, oupwe Kutta eu neni oupwe chufengen ia. Me ousap niwinto tori kunok unungat. Oune fetan!”

Nupwen aua fetan, ua ekieki usun ekkewe kapasen eu kon ua kaeo non Kinter chommong ier me mwen:

*Pwara ne emon Mormon;  
Pwara ne uta anaemon.  
Pwara fan eu popun mi pochokun,  
Pwara ne esinei fetan.*

Ina mo ena mettoch a fisioch nap seni met ua ekieki, ua fen finata pwe, ika mi namwot, upwe uta ikkewe anaemon chok.

Seni ena fansoun mi wor ekkoch fansoun nupwen ese wor emon mi uta mwiri iwe *ennet* ua uta anaemon. Ua kinisou pwe ua finata fansoun nom pwe upwe pochokun me ennet, fan ai ammonata ne tumunu ai namanam, ika mi namot.

Ika sia mefi pwe sise pochokun ren ekkewe wis mi nom mwach, pwii kana, upwe anneani eu poraus non 1987 seni an ewe Mwichefen Preseten Ezra Taft Benson nupwen a kapas ngeni chommong chon Mwichefen non California. A apasa: “Non fansoun meinisin, soufos ra nenetiw non ach kei ran. Fitu billion ekkewe mi ma me ekkewe rese mo uputiw ra neneto. Ousap tipemwaremwar---ami eu tappin aramas mi kefinita. Ren ukukun onu ngerou ier Kot a isoni ami pwe oupwe wareto non ekkei saingon ran me mwen ewe oruan niwinsefaniton ewe Samon.
