Those who die before reaching the age of accountability are saved in the celestial kingdom (see Doctrine ao Covenants 137:10). Those who have died without knowledge of the gospel and would have received it if they had been given the opportunity will also be heirs of the Celestial Kingdom (see Doctrine ao Covenants 137:7). In addition, even those whose lives have been less than valiant will in time be blessed with an existence superior to this life (see Doctrine ao Covenants 76:89).
