

GOD

ANSWERED BOTH PRAYERS

By Carlos Iván Garmendía Pacheco

While I was serving as a missionary in Durango, Mexico, our mission president challenged our mission to try a “week of sacrifice.” He asked us to put forth more effort than usual by working hard and setting specific goals during the week. My companion and I had faith that if we sacrificed this way, the Lord would bless us and we would find many people to teach.

However, during the week of sacrifice, we didn’t have much success. We did not find any families to teach, and we were disappointed.

One morning following that week, my companion and I looked at a map of our area. Our area was very large, but we felt we needed to go to the part that was farthest away.

After we got there, we prayed and asked Heavenly Father which street and which house to go to. When we finished, we turned around to look at all the streets. We saw a railing nearby and peeked over the top. We saw a

woman sitting with her eyes closed, with a broom in her hands.

My companion said, “Hello!” and when the woman heard us, she stood up and went on sweeping as if nothing had happened. Then we told her that we were missionaries from The Church of Jesus Christ of Latter-day Saints and that we had a message for her. She let us into her home, and we had a very spiritual discussion. We told her about Joseph Smith and how he went into a grove of trees to pray to find the truth, and in answer to his prayer, he was visited by God the Father and Jesus Christ.

She interrupted us and said, “That

is true. I know that God answers our prayers. When you spoke to me, I was praying and asking the Lord to send someone who could lead me to His path, and you came immediately.”

We felt the Spirit, and we testified that God had sent us to her and that we too had been praying right then to know which of His children needed our help. Soon Sister Rufina was baptized. In the weeks following, her children, grandchildren, and even some of her neighbors were baptized—a total of 20 converts in that part of our area. The Lord guided us to Sister Rufina, and she was the door to sharing the gospel with her family and neighbors.

I know that Heavenly Father blesses us if we ask Him, but not until after He has tried our faith. I am grateful that my companion and I could be instruments in the Lord’s hands and find people who were ready to listen to the gospel message. I know that God loves us and will guide us if we ask. **NE**
