

# A NEW PERSPECTIVE

By Lisa J. South

*He returned,*

*missionary strong.*

*My joy was full when he asked,*

*“Mom, could we study the scriptures together?”*

*Now I sit before my scriptures*

*with new understanding.*

*I still pray for*

*enlightenment, knowledge,*

*but somehow it is different as I ask,*

*“Father, could we study the scriptures together?”*
