

# Children Remember President Gordon B. Hinckley

President Gordon B. Hinckley taught us about love. He was not afraid to make us chuckle with his kind and witty humor. He wanted us to try our best in everything we do. He said: “Never forget, my dear young friends, that you really are a child of God. . . . May life be kind to you, for you are indeed a child of God, worthy and deserving of His love and blessing” (“You Are a Child of God,” *Liabona* and *Ensign*, May 2003, 119).

We will always remember President Hinckley’s powerful testimony and example, which make our hearts exclaim, “We thank Thee, O God, for a prophet!”
