

BECOMING CHRISTLIKE

MOSIAH 3:19

Kelly L. Barfield

*The natural man comes easily—
so much effort
to do and be otherwise.*

*The yielding stretches me
beyond myself—
and is painful.*

*Drawing out the saint within
requires submission
to a Greater Power.*

*The enticings are subtle;
and though I fall,*

*His grace puts off the enemy—
and I become His child.*
