What is a father's most important work?

"Perhaps the most essential of a father's work is to turn the hearts of his children to their Heavenly Father. If by his example as well as his words a father can demonstrate what fidelity to God looks like in day-to-day living, that father will have given his children the key to peace in this life and eternal life in the world to come."

Elder D. Todd Christofferson of the Quorum of the Twelve Apostles, "Fathers," *Ensign*, May 2016, 94.
