Heavenly Father's Plan

Heavenly Father had a plan
To have a test for all of man.

He needed someone to die for mortals,
So we could enter the heavenly portal.

Jesus stepped up, who wanted us to be free,
But Lucifer didn't want that, for he was as slick
as can be.

God chose Jesus, for His choice was right,
But Lucifer would not see the light.

Lucifer took one-third of the people above,
For he would not see God's love.

And now there is a good plan for the whole
earth.
Now the people can have a rebirth.

He Loves Me

Sometimes I feel angry,
Sometimes I feel mean,
But He loves me.
Even if we choose to be bad,
He will love us all.
His love will never ever end,
For He loves everyone.
