We believe the Bible to be the word of God as far as it is translated correctly; we also believe the Book of Mormon to be the word of God.

The scriptures are a record of the teachings of the prophets. When we read the scriptures, we learn the principles of the gospel and how to return to our Heavenly Father. We believe and follow the teachings in four books of scripture: the Bible, the Book of Mormon, the Doctrine and Covenants, and the Pearl of Great Price. We also can hear, read, and follow the teachings of our modern-day prophets.
