

I Find the Savior

By Tina Dean

I find the Savior when I pray
In quiet moments every day,
In scripture stories that I read,
In all the sacred hymns I sing.

In words of prophets, parents, teachers—
I find the Savior through my leaders,
Who teach me how to find the Lord
Through obedience to His word.

I find the Savior as I'm kind
And as I choose to spend my time
Helping people with their troubles,
Teaching, serving, loving others.

I find the Savior when I choose
To try my best in all I do
And ask for help when I can't see
The victor that He sees in me.
