Let’s talk about gifts.

I love gifts!

They’re fun to get, but it’s also nice to give them.

There are gifts you can’t wrap. Can you think of some of those?

I know! A horse!

What about an elephant?

Those would be hard to wrap!

What about other gifts? When you help clean up, can you wrap that?
I can give Papa a hug when he comes home. I can’t wrap that!

Sure! What other gifts could you give?

I can invite my friend Eva to Primary. Is that a good gift?

No, but it’s a great gift.

Yes! Can you think of a gift that Heavenly Father gave to all of us?

I don’t know. What is it?

That’s the best gift of all!

Our Savior, Jesus Christ.

No. Is it still a gift?

I don’t know. What is it?
