Lights, Camera, Action

You can bring the magazine to life by acting out a favorite story. Ask someone to read several lines out loud, then pause to give others time to act out what was read. If you don't have enough people for all the characters, you could use paper-bag puppets.

FOLLOWING JESUS

Be Faithful

Jesus Christ said, "According to your faith be it unto you" (Matthew 9:29).

To be faithful is to believe in Heavenly Father and trust He will do what He says He will do. Jesus said the faith of a sick woman made her whole (see Matthew 9:22). Jesus later told two blind men it was through their faith they could be healed (see Matthew 9:29).

What can I do to help my **Primary teachers** and leaders this week?

This Month's Challenges:

Challenge 1: Memorize the fourth article of faith and recite it for someone. Challenge 2: Make a goal to strengthen your faith by saying morning and evening prayers every day for a week.

Challenge 3: Read Alma 32:26-43 and use Alma's experiment by picking a commandment and trying extra hard to obey.

Paper-bag Puppets

A paper bag can become a pal when you give it a face and a name. First, lay the bag flat, flap up. Draw a face on the flap, with an upper lip at the bottom of the flap and the rest of the mouth below the flap on the bag. Put your hand in the bag and move your fingers up and down to make your new pal "talk."
