**This month's
scripture:
1 NEPHI 1:20**

“Behold, I, Nephi, will show unto you that the tender mercies of the Lord are over all those whom he hath chosen, because of their faith, to make them mighty even unto the power of deliverance.”

In January of 2016, our bishop told us to read the Book of Mormon as a family every night. Every time we read the Book of Mormon, I feel comfort and happiness and I build a stronger testimony of Heavenly Father and Jesus Christ.

For scripture time, our family gathers around our big copy of the Book of Mormon. We usually read a couple of verses. Then we talk about what the scriptures mean so we can understand them better. I think scripture time is important because it brings families together.
