

Sunday Mix-ups

Primary Visitor

By Arie Van De Graaff

This Primary girl is new to the ward. Help her find her class by using the clues below. Check your answer on page 48.

- Her class has more girls than boys in it.
- Someone in her class is wearing glasses.
- At least one person in her class remembered to bring his or her scriptures to church.

Once you've found her class, count the number of ties and necklaces in the picture.

Tie Tangle

By Jon Clark

Circle the three ties that are different from the others.
