Balloon BOUNCE

1. Have a parent help you blow up some balloons—a few more balloons than the number of people playing.

2. Spread a blanket on the ground and put the balloons on it.

3. Have everyone pick up a balloon and bounce it into the air.

4. Try to keep all the balloons in the air without catching them.

5. To make the game more challenging, try doing it without using your hands.
