

# Hi, I'm Erika from El Salvador

The Relief Society sisters in my branch asked if I could learn to index names using the FamilySearch program. I wanted to help. My mother also wanted me to help, so we began learning how to index together.

When I first started, it took me a whole day to index nine names. But now, after working hard and practicing, I can index 300 names in a day.

After finishing my homework, I spend time indexing names. For me, indexing is as fun as playing or watching TV. But I know that it has a greater purpose.

I live in the city of San Salvador in El Salvador, and I love to prepare names for temple ordinances.

Heavenly Father blessed me with the opportunity to help prepare names for temple ordinances for more than 2,000 of my Salvadorian ancestors in the spirit world.
