Father's Day Origami

We did your Father's Day origami craft (June 2017)! We wrote notes on the back and were excited to give them to our dads!

DEAR FRIENDS,

Every day you have lots of choices. What if you're playing a game and your mom asks for help? What if someone needs a friend? What if you see something on the computer that doesn't make you feel good? This month's Friend has true stories about kids who faced all of these choices. What good choices have you made?

Was there a story or activity this month that helped you? Tell us about it! Turn to page 39 to find out how.

Love,
The Friend

Me and My Dog

Thank you for writing "Erika's Dream Park" (April 2017). It makes me feel better about my dog, Torque. He had cancer and died two years ago. We were both 18 months old in this picture.
