

Watch and Listen

Ask a parent to help you find family videos or photos. Before you take a look, write names of family members you might see, and draw a picture to represent them. Then watch together, and mark when you see each person. Try to get three in a row!

The image shows a 'Family Bingo' game board. At the top, the words 'family' and 'bingo' are written in colorful, bubbly letters. Below this is a 3x3 grid. The center square contains a blue circle with the word 'free' in white. Each of the other eight squares has a dotted line at the bottom with the word 'Name' written below it. A red scissors icon is on the left side of the board, indicating where to cut out the game.

Don't forget to cut out your badge and add it to the badge keeper from the January *Friend*! Print past pages, or extra copies of this page, at FriendFHQ.lds.org.

ADD AN AUDIO CLIP TO FAMILYSEARCH.ORG

Help a parent download the “FamilySearch—Memories” smartphone app. Tap on the picture of the microphone at the top of the screen. Record a member of your family telling a true story, and then post it to FamilySearch.org!
