

Sunny Games

Shadow Tag

Here's a fun twist on tag to play with your friends on a sunny day. Instead of tagging a friend with your hand, tag your friend's shadow with your feet. For an extra challenge, try playing when the sun is high in the sky. The shadows will be smaller and harder to catch.

Sunflowers and Snapdragons

Can you find these flowers in the word search? How many of them do you know? Ask an adult to help you find photos of the ones you don't recognize.
