

# Marta's Garden

By Jennifer Maddy

Marta

dug a hole in the

dirt

tomato

plant in the hole

and patted the

dirt

onions

Next, Marta carefully put

Marta

watermelon seeds

in the

dirt

Marta

gave the garden

water

every day. Finally the

garden

Mom picked

tomatoes

Marta

pulled

onions

out of the ground. Dad

carried a

watermelon

into the kitchen. Mom used the

tomatoes

and

onions

to make sauce for spaghetti. Dad cut the

watermelon

into sweet, juicy

pieces. Marta said, "My favorite foods are the ones we grow!"

# Helping in the Garden

Many yummy foods grow in the garden. What kinds of fruits and vegetables can you find? How many garden tools can you find?
