

# Trying to Be Like Jesus

## Helping My School

One time my friends were saying words that I didn't feel comfortable with. I asked them to

stop. I didn't expect them to stop, but they did. After that, my friends didn't use the Lord's name in vain or the other words that I don't use. It made me feel good that I could help make my school a little more Christlike.

## Helping Others

I wanted to make my eighth birthday extra special. So I asked my friends to bring toys and clothes

instead of presents to my party. I donated the toys and clothes to a local charity that helps children. I felt really good because I was trying to be like Jesus.

## Courage to Choose

One day I was with my friend in a school science lab. My friend dared me to push the fire

alarm. I didn't want to do it, but he said that I couldn't be his friend if I didn't push it. I wouldn't do it. I felt sad that he said I wasn't his friend, but I was glad that I had the strength to make the right choice.

## A Clean Church

Emma, Riley, and Logan enjoyed doing service as a family at their church parking lot. They worked with their parents to clean up the gutter and sidewalk, which were littered with dirt, rocks, garbage, and pine needles. The children helped sweep, shovel, and empty the trash. They liked seeing how clean it looked when they were done.
