SINGING THEIR TESTIMONIES

About 60 children sang with their families in the Saturday afternoon session of conference. Croydon D., age 8, wrote about this special experience in his journal:

“When it was almost time to start, everything quickly went silent as President Monson and his two counselors walked in. You could tell the Spirit was there. I looked at my Mom, and her eyes were watering. It was pretty neat to see President Monson right in front of me.”
