

FRIENDS BY MAIL

Easter Egg Fun

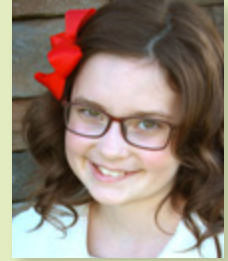

I had fun making peanut butter Easter eggs from the April 2017 issue with my sister! Thank you, *Friend*! **Lamont T., age 10, Hawaii, USA**

One in a Million

We felt prompted to watch the *One in a Million* videos on

the *Friend* website before we moved for a few months. We moved to Alaska, where Joey from one of the videos lives, and he welcomed us to the ward! Thank you for the *One in a Million* videos!

Elias and Emma W., ages 9 and 10, Arizona, USA

Geography and Cousins

We were reading a *Friends by Mail* letter (March 2017) and saw that we have cousins living where those readers are from!

Ben and Amelia S., ages 9 and 8, New Zealand

How I Read the *Friend*

I visited the old military fort at Presidio San Francisco National Park and brought my *Friend* along. It was very windy!

Audrey A., age 6, California, USA

DEAR FRIENDS,

It's never too early to get ready to go inside the temple someday! Meet some kids in France and Japan who got to watch temples near them being built (page 22). Then learn the temple song on page 24! Finally, make a handkerchief to take to a temple dedication in the future (page 35).

What do you love about the temple?

The *Friend*

P.S. Two temples are being dedicated later this year. Go to temples.lds.org to find out which ones!

Was there a story or activity this month that helped you? Tell us about it! Turn to page 39 to find out how.
