I Know I'll See My Brother Again

My brother passed away on February 14, 2009. I was very sad to lose him. He was lots of fun. He played with me and my twin sister. I know that he is having the best time in heaven. I know he will be resurrected and that I will see him again. I love him and I love this gospel so much.

Happy to See the Friend

Iam always happy when the *Friend* comes. I like to read all the stories and do all the fun activities inside. I like to color and draw. My mom asked me to draw a picture for the cover of our ward's Primary sacrament meeting program. I drew the Salt Lake Temple with a family in front of it. I think it turned out nice. I hope you like it too.
