

# When I Go to Sleep

By Shawnee Zelenka

When I go to sleep at night,  
I sing a happy song.  
I know that day is on its way;  
The darkness won't last long.

Jesus made the moon and stars.  
He gave us day and night.  
I never need to fear the dark,  
For Jesus is my light.

I can always feel His love,  
The peace His Spirit brings.  
Jesus loves me and is near;  
I need not fear a thing.
