

Building a Temple

Join us each month to see how the Payson Utah Temple was built!

By Amie Jane Leavitt

Interior designers find fabric swatches, select furniture styles, and pick the artwork for a temple. It can take months for craftsmen to build the furniture and artists to paint their masterpieces. Once everything is finished, the furniture and art are put in place. Carpet is usually one of the last things put in a temple. Some of the carpet is hand-carved with flowers, leaves, and other patterns.

The large mirrors in temple sealing rooms are usually so heavy that a special mechanical lift has to raise them onto the wall!

The Last Laugh

I need a backpack with two separate sections. I'm bringing my pet tarantulas for show and tell this year, and Hairy and Fangy don't like being in the same room together.
