An Angel Came to Joseph Smith

With conviction  \( \text{j} = 88-100 \)

1. An angel came to Joseph Smith, And from the ground he took A
   sacred record hidden there, A precious, holy book.
   left their homes and crossed the sea To reach a favored land.
   peace when they obeyed the Lord, The sacred records tell.
   Heav'n-ly Father loves us all in each and every land.

2. It tells of people long ago, Led by the Lord's own hand, Who
   the Nephites and the Lamanites, And all who came to dwell, Had
   their records and crossed the sea To reach a favored land.
   peace when they obeyed the Lord, The sacred records tell.
   Heav'n-ly Father loves us all in each and every land.

3. The Nephites and the Lamanites, And all who came to dwell, Had
   their records and crossed the sea To reach a favored land.
   peace when they obeyed the Lord, The sacred records tell.
   Heav'n-ly Father loves us all in each and every land.

4. And now I'll read the sacred book, And then I'll understand That
   the Nephites and the Lamanites, And all who came to dwell, Had
   their records and crossed the sea To reach a favored land.
   peace when they obeyed the Lord, The sacred records tell.
   Heav'n-ly Father loves us all in each and every land.
