## Is the Son of God, and He Is a God of Miracles

By Sandra Tanner and

**M**any artists use their knowledge and faith in Jesus Christ and their skills and imaginations to create drawings of Him. Their drawings can help our faith and understanding of Jesus grow. When we read the scriptures, we can use our imaginations, as artists do, to help us understand what Jesus was teaching.

In the New Testament you will find stories about the miracles Jesus performed when He lived on the earth. One of them is in Mark 4:35–39. Read the story; then imagine you were in the boat with Jesus and His disciples on the Sea of Galilee. Imagine a great storm. The ship rocks to and fro, the wind howls, and the water splashes around you. Imagine what you would be thinking and feeling. Now imagine seeing the disciples as they wake Jesus. Think about how the Lord’s voice sounded when He rose and said,

“Peace, be still.” Imagine how the sea looked when the wind stopped blowing and how amazed the disciples were when the wind and the sea obeyed Jesus.

How does reading and thinking about this story help you have more faith in Jesus Christ?

We too can be artists and show our faith and understanding of Jesus by drawing pictures of the miracles He performed and by using our pictures to teach others what we have learned.
