I was very happy to enter the waters of baptism and be confirmed a member of the Church of Jesus Christ. The Holy Spirit will be my faithful companion if I stay pure and obey the commandments. I know that God lives, that He loves us, that the Church is true, and that the Book of Mormon is true.

Every birthday is special, but since I was little I have been preparing for my baptism. Now that I am baptized I feel very happy. I know my Heavenly Father is happy with me and loves me.
