

Brothers Who Light the World

1

Jayden: A Christmas Song

My class at school had a nativity play, and I played the piano for the whole programme. I taught everyone to sing "O Holy Night."

2

Jayden: Teaching Neighbors

I like to teach my neighbors when we are playing because I want to serve them. In Matthew 5:16, Jesus taught us to let our light shine. When I do this, I feel happy.

3

Hubert: Helping the Hungry

During break time at school, I see people who are hungry and have nothing to eat. I share my snack and help them feel better. After sharing, I feel happy.

4

Hubert: Playing the Organ

At church I play the organ
for members to sing.
When doing this,
I feel happy.

We live in a country called Ghana. Our city, Accra, is near the Atlantic Ocean. It also has a beautiful temple!

Let Us Light the World

In the scriptures it says that Jesus is the Light and Life of the world. So let us light the world!
