

ILLUSTRATION BY ROBERT T. BARRETT

SPENCER W. KIMBALL

Spencer W. Kimball loved the descendants of the Lamanites. The **basket** and the **background pattern** represent his love for their culture. When he served as Church President, the Church printed new editions of the **scriptures**. He also received the revelation that all worthy men could hold the **priesthood**. More than 20 temples were dedicated or rededicated during his presidency, including the **Jordan River Utah Temple**.
