Ever since I was little, my mother and father have taught me about the temple. It is far away, but I love going there with my family.

When I was sealed to my parents, I was finally able to go inside—it is very beautiful. Now when we go, I stay outside to wait. When I am older, I will make my own covenants in the temple.

I really like to sing the hymns of the Church and to participate in family home evenings with my family. I have two younger siblings named Jared and Sarai, and I love them a lot. I like to help my mother when she is cooking because when I am grown, I want to cook well like she does.

I know that Jesus Christ lives and that He cares for all of us, and I know the Church is true.

I like to help my mom with family home evening. Our family wants to go to the temple so we can be together forever. When I grow up, I want to serve a mission like my cousins. I love Heavenly Father and the prophet, President Thomas S. Monson. I like the Primary song "The Church of Jesus Christ."

I have been instructed in the gospel since I was very small. When I was eight, I made the decision to be baptized. I memorized all 13 articles of faith for that special day. When I came out of the water, I felt something very strong. My mother told me those feelings came from the Holy Ghost. I know that Joseph Smith restored the Church of Jesus Christ, that the Book of Mormon is true, and that Thomas S. Monson is a living prophet.
