

## Identity

By Janelle Bricknell

If you think I'm quiet  
You've got it all wrong.  
As I can be quite lively  
And chat all day long!

If you think I'm ordinary  
You're way off your peak.  
There's no one else like me,  
That's 'cause I'm unique!

If you think I'm special,  
You're very close there!  
It's actually something we all have—  
It's an Identity we all share!
