

## A NEW DAY

BY ANITA SMITH LISBERG

The light breaks.  
The world awakes.  
It is morning.  
Light filters through  
The trees and falls  
Upon the leaves.  
A new day  
Is dawning.  
The clouds part.  
I see the start  
Of a rainbow  
Appearing.  
Joy fills my soul  
And now I am whole.  
All doubts  
Are clearing  
Away.
