

MAKE YOUR MOVE

A young man with short brown hair, wearing a brown leather jacket over a dark shirt and dark pants, stands in profile on a large, illuminated chessboard. The chessboard is composed of red and black squares. Golden chess pieces are on the left side, and silver chess pieces are on the right side. The lighting is dramatic, with a strong blue and purple glow from the right, casting long shadows and highlighting the man's face and the texture of his jacket. The background is dark, making the chessboard and the man stand out.
