

SOMETHING THAT MAKES ME SMILE

PART 2

WOW! When we asked you to send us examples of things that make you smile, you really responded! You sent so many great things, we just had to share some more. So, here's round two of wall-to-wall, gleaming, ear-to-ear beaming.

I love **PHOTOGRAPHY!**

We have such a beautiful world all around us and I find joy in capturing pictures of it. Flowers are just a part of what makes me smile in life!

Sarah P., 15,
California, USA

I am part of a **BALLROOM DANCE** company. It makes me smile because all the people there have some of the same beliefs as me and are super nice people. Also, I get to do what I like best, to dance!

Emma M., 13, Washington, USA

I love **CATS**. I always have, and I probably always will. They make me smile. This is a charcoal drawing I made for Studio Art class at school.

Caleb D., 14, Utah, USA

MAKING FAIRY HOUSES AND LANDSCAPES makes me smile because I get to create my own little world where everything sits still and perfect. It helps me appreciate the details and the small things in life, and it's even more fun to do with my little sister!

Alida C., 17, Utah, USA

I took this picture of the **FLOWER BUSH** in my yard. These make me smile because they are so pretty. It makes me think of Jesus Christ and how He created everything for our happiness and how much He loves us.

Amy P., 14,
South Carolina, USA

SHARING THE GOSPEL makes us smile! We are so happy to be serving a mission and letting people know how much God loves them! He gave us such a wonderful plan and a beautiful chance to learn and grow!

Sister McGuire and Sister Perry, California Ventura Mission

My **DOG**, Daisy, makes me smile because she is so lovable, quirky, and fun!

Cooper V.,
12, Nevada, USA

THEATRE is an art form I'm very passionate about. Participating in theatre productions at my high school has given me a wonderful group of friends and a great way to spend my time, and it has created a perfect environment for me to share the gospel and spread the love of Jesus Christ.

Madeline C., 17, Indiana, USA

PLAYING AND LISTENING TO MUSIC make me happy and can make others smile too. Even when you are in a bad mood, you can listen to music to be in a happier mood when you are listening to uplifting music.

Kate C., 11, Utah, USA

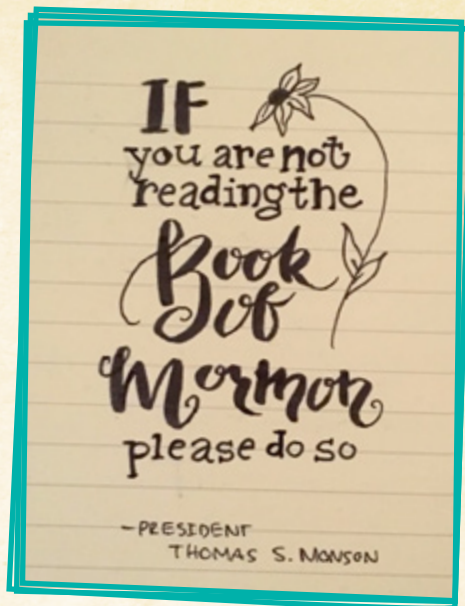

IF you are not reading the Book of Mormon please do so

THOMAS S. MONSON

DRAWING QUOTES makes me smile because I can share a message from the leaders of our Church with the people I love!

Jayde M., 16, Utah, USA

CREATING ART relieves the stresses of my day, and makes me smile. I especially enjoy sculpting with clay, painting with watercolors, and drawing anime and manga cartoons.

Mia P., 12, Colorado, USA

I love **BALLET**. Being able to express myself through dance makes me smile every day!

Juliette B., 16, Oregon, USA

I'm on a **BALLROOM DANCE** team. It's good to have a safe place to come and be who I am without worrying about being made fun of. Performing is such a blessing because people will come up to me afterwards and tell me that it was just what they needed that day and it makes all the hard hours of practice worth it.
