1. The Lord gave me a temple to live within on earth.
   Once in heaven I was spiritual, but I remained free, I may in Father's temple claim a home.

2. If I keep my body clean and pure and habitation left my home at birth.
   I'll make my temple blessings promised me. On resurrection bright morning, I'll take my spirit free.

And my body is the temple my Father gave to me.
