Come, Listen to a Prophet's Voice

1. Come, listen to a prophet's voice, And hear the word of God.
2. The gloom of sullen darkness spread Thru earth's extended space.
3. 'Tis not in man they put their trust, Nor on his arm rely.
4. Then heed the words of truth and light That flow from fountains pure.

And in the way of truth rejoice, And sing for joy aloud.
Is banished by our living Head, And God has shown his face.
Full well assured, all are accursed Who Jesus Christ deny.
Yea, keep His law with all thy might Till thine election's sure,

We've found the way the prophets went Who lived in days of yore.
Thru erring schemes in days now past The world has gone astray.
The Savior to his people saith, "Let all my words obey,
Till thou shalt hear the holy voice Assure eternal reign,

Another prophet now is sent This knowledge to restore.
Yet Saints of God have found at last The straight and narrow way.
And signs shall follow living faith, Down to the latest day.
While joy and cheer attend thy choice, As one who shall obtain.
