1. Oh, beautiful for spacious skies, For amber waves of grain,
2. Oh, beautiful for pilgrim feet, Whose stern, impassioned stress
3. Oh, beautiful for heroes proved In liberating strife,
4. Oh, beautiful for patriot dream That sees beyond the years

For purple mountain majesties Above the fruit ed plain!
A thoroughfare of freedom beat Across the wilderness!
Who more than self their country loved, And mercy more than life!
Thine alabaster cities gleam, Undimmed by human tears!

American! American! God shed his grace on thee,
American! American! God mend thy every flaw,
American! American! May God thy gold refine,
American! American! God shed his grace on thee,

And crown thy good with brotherhood From sea to shining sea.
Con firm thy soul in self control, Thy liberty in law.
Till all success be noble ness, And every gain divine.
And crown thy good with brotherhood From sea to shining sea.
