CHAPTER 43

# Jesus Christ Names His Church

---

April 1838

**W**hile Joseph Smith was in Far West, Missouri, Jesus gave him an important revelation about the name of the Church.

The Church is named The Church of Jesus Christ of Latter-day Saints. It is named after Jesus because it is His Church and He is its leader. The latter days are

the last days before Jesus will come back to the earth. Saints are righteous members of the Church. Latter-day Saints are the members of the Church who live now.
