

# Creation—Living Creatures

---

Genesis 1:20–25; Moses 2:20–25; Abraham 4:20–25

*And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth. . . . And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind.* Genesis 1:20, 24

**O**n the fifth day of Creation, the fish and other water creatures were placed in the seas, and the birds were made to fly above the earth (see Genesis 1:20–23; Moses 2:20–23; Abraham 4:20–23).

On the sixth day God put all the other animals upon the earth, creating cattle and beasts and creeping things (see Genesis 1:24–25; Moses 2:24–25; Abraham 4:24–25). God saw that all His creations were good (see Genesis 1:25; Moses 2:25).

---

## Summary

God created the animals on the fifth and sixth days of Creation.
