Revelesen we Lod i givim, tru long Profet Josef Smit, long Ketlan, Ohaeo, let long namba 30 Ogis 1831. Profet, Sidni Rigdon, mo Oliva Kaodri oli bin kasem Ketlan long 27 Ogis afta we oli visitim Misuri. Histri blong Josef Smit i tokbaot revelesen ia olsem ia: "Long ol fas dei blong Jos, i bin gat bigfala wari blong kasem tok blong Lod long saed blong evri topik we, long eni wei, i bin abaot fasin blong sevem man; mo from we graon blong Saeon i, naoia, poen blong samting blong laef ia we i moa impoten blong tokbaot, mi bin askem long Lod blong kasem moa toksave long saed blong kam tugeta blong olgeta Sent, mo poen blong pem graon, mo sam narafala poen."

1-6, Wan dei blong bigfala nogud kros bae i kam long ol nogud man; 7-12, Ol saen oli kam tru long fet; 13-19, Olgeta we oli mekem adaltri long hat blong olgeta oli tanem baksaed long fet mo bae Lod i sakem olgeta long lek blong faea; 20, Olgeta we oli fetful bambae oli kasem wan ples long wol we i jenis i kam niu; 21, Wan ful stori blong ol samting we oli bin hapen long Hil we Jisas I Jenis I Kam Niu, Lod i no talemaot yet; 22-23, Olgeta we oli stap obei oli kasem ol sikret blong kingdom; 24-31, Oli mas pem ol graon long Saeon; 32-35, Lod i talem wetem atoriti se bae i gat ol wo, mo ol nogud man oli kilimded ol nogud man bakegen; 36-48, Olgeta Sent oli mas kam wanples long Saeon mo givim ol mane blong bildimap Saeon; 49-54, Olgeta we oli fetful oli sua blong kasem blessing long Seken Kaming, long Taem blong Laef Bakegen long Ded, mo long taem blong Mileniom; 55-58, Hemia i wan dei blong woning; 59-66, Olgeta we oli no gat atoriti

blong yusum nem blong Lod, oli yusum nogud nem blong hem.

LISIN gud, O yufala ol pipol, mo openem hat blong yufala mo harem gud ol toktok, yufala we yufala i stap longwe; mo lisin, yufala we yufala i stap singaotem yufala ol pipol blong Lod, mo harem toktok blong Lod mo tingting blong hem long saed blong yufala.

2 Yes, i tru mi talem, harem toktok blong hem we kros blong hem i stat blong girap agensem ol nogud man mo olgeta we oli stap "agens;

3 we i wantem tekemaot olgeta we hem i wantem "tekemaot, mo holem i laef olgeta we hem i wantem holem olgeta oli laef;

4 Hem we i stap bildimap samting folem wanem hem i wantem mo wanem hem i laekem; mo i prapa spolem gud ol samting taem hem i wantem, mo i save sakemaot sol blong man i go daon long hel.

5 Luk, mi, Lod, bambae mi mekem voes blong mi i toktok aot, mo bambae oli mas obei long hem.

6 Taswe, i tru mi talem, olgeta nogud man oli mas lukaot gud, mo olgeta we oli stap agens oli mas fraet mo seksek; mo olgeta we oli no biliv oli no mas toktok, from ^adei blong bigfala nogud kros bae i kam long olgeta olsem wan ^bwaelwin, mo evriwan we i laef bae i ^asave se, mi, mi God.

7 Mo hem we i stap lukaotem ol ^asaen, bae i luk ol saen, be hemia bae i no sevem hem.

8 I tru, mi talem long yufala, i gat sam long medel blong yufala we oli stap lukaotem ol saen, mo i bin gat ol kaen man olsem ia stat long stat finis;

9 Be, luk, fet i no kam tru long ol saen, be ol saen oli stap folem olgeta we oli biliv.

10 Yes, ol saen oli kamaot tru long ^afet, i no tru long tingting blong man, i no tu olsem we oli wantem, be i tru long tingting blong God nomo.

11 Yes, ol saen oli kamaot tru long fet, blong ol bigfala wok oli hapen, from we sapos i no gat ^afet, man i no mekem God i glad; mo huia olgeta we God i kros bigwan long hem, God i no glad long olgeta ia; taswe, long olgeta ia, hem i no soem ol saen, be hem

ia i stap long maen blong mi, mo i stap pusum strong long ol filing blong mi stat long taem we ol enemi blong mi oli stap lukaotem mi.

2 Mi bin raetem sam toktok blong revelesen long yufala long saed blong man blong raetemdaon ol rekod. Mi gat sam moa tingting long saed blong poenia, we mi stap konfemem naoia. Hem i olsem: mi bin talem long leta blong mi fastaem se i mas gat wan man blong "raetemdaon ol rekod, we hem i mas stap olsem wan ae witnes, mo tu, hem i mas harem wetem sora blong hem, blong mekem se hem i testifae wetem trutok long fored blong Lod.

3 Long saed blong poenia, bae i had tumas blong wan man nomo blong raetemdaon rekod blong i stap long evri taem, mo blong mekem evri bisnis. Blong no fesem problem ia, i save gat wan narafala man blong raetemdaon rekod we oli singaotem long wanwan wod blong siti, we i kwali-fae gud blong raetemdaon gud ol samting we i hapen; mo hem i mas lukaot gud blong raetemdaon gud mo raetemdaon stret evri samting we i bin hapen, mo i testifae long rekod blong hem se hem i bin luk wetem ae blong hem, mo i bin harem wetem sora blong hem, mo i givim deit, mo ol nem, mo ol narafala samting moa, mo histri blong ful samting we i bin hapen; mo hem i mas givim nem blong trifala nara man we oli

stap, sapos i gat nara man i stap, we bae oli save singaotem eni taem blong testifae long semfala samting, blong mekem se long maot blong tu o tri "witnes, bambae evri toktok oli stanap.

4 Afta, i mas gat wan jeneral man blong raetemdaon ol rekod i stap, we bae oli givim ol narafala rekod long hem, we i mas gat ol setifiket wetem signeja long olgeta, we i talem tru se rekod we oli bin raetem i tru. Afta, jeneral man blong raetemdaon rekod bae i save raetemdaon ol rekod ia long jeneral buk blong jos, wetem ol setifiket mo evriwan we oli bin stap blong witnesem, mo wetem toktok blong hemwan se hem i biliv se ol toktok mo ol rekod ia oli tru, hemia folem save blong hem long gudfala fasin blong olgeta ia we jos i bin jusum olgeta. Mo taem hem i mekem hemia long jeneral buk blong jos, rekod ia bae i stret mo tabu, mo bae i mekem odinens ia i laef semmak olsem we hemwan i bin luk long ae blong hem mo i bin harem wetem sora blong hem, mo hem i raetemdaon olsem long jeneral buk blong jos.

5 Ating bae yufala i tingting se oda ia blong mekem ol samting ia i go tumas; be mi mas talem long yufala se hemia i blong folem nomo tingting blong God, taem yumi folem gud odinens ia mo taem yumi folem gud rod blong stap rere we Lod i bin odenem mo i bin rere bifo long stat blong

wol, blong hem i ^asevem olgeta dedman we oli ded bifo oli kasem ^bsave long gospel.

6 Mo bakegen, mi wantem yu blong tingbaot se Jon Reveleta i bin stap tingting long topik ia long saed blong ol dedman, taem hem i bin talem, olsem we bae yufala i faenem we oli raetemdaon long Revelesen 20:12—*Nao mi luk olgeta dedman, olgeta we bifo oli haeman wetem olgeta we oli no ol haeman, oli kam stanap long fes blong Man ya we i stap sidaon long bigfala jea blong hem. OFISOL TOKTOK 1

Baebol mo Buk blong Momon i tijim se fasin we wan man i maredem wan woman i standet we God i putum blong mared, be nomo sapos Hem i talem se bae i defren (luk long Seken Samuel 12:7–8 mo Jakob 2:27, 30). Afta we God i givim wan revelesen long Josef Smit, fasin blong man i maredem fulap woman i stat long medel blong ol memba blong Jos long stat long ol yia 1840 (luk long seksen 132). Stat long ol yia 1860 i go kasem ol yia 1880, gavman blong Yunaeted Stet i pasem ol loa blong mekem praktis ia i nomo folem loa. Afta, Suprim Kot blong Y.S. i pasem ol loa ia. Afta we hem i kasem wan revelesen, Presiden Wilfod Wudrof i putumaot Pablik Anaonsmen ia, we Jos i bin akseptem blong i kam long paoa mo man i mas folem; oli pasem long namba 6 Oktoba 1890. Hemia nao i putum en long praktis blong man i maredem fulap woman insaed long Jos.

I Go long Evriwan we I Wantem Save:

From se oli bin stap sendemaot ol nius ripot i go wetem ol stamba tingting blong politik biae long hem, long Sol Lek i kam, mo oli printim long evri ples, mo i talem se Komisen blong Yuta, long las ripot blong olgeta i go long Sekretari blong Intenal Afea, i talem se oli stap selebretem yet ol mared we man i maredem fulap woman long semtaem, mo se i gat foti o moa long foti kaen mared ia we oli bin mekem long Yuta stat long las manis Jun, o stat long las yia i kam, mo tu, se ol lida blong Jos, long ol pablik toktok, oli bin tijim, leftemap tingting mo askem strong blong fasin blong mared long fulap woman i gohed—

From hemia, mi, olsem Presiden blong Jos Ia blong Jisas Kraes blong Ol Lata-dei Sent, naoia, long wan tabu fasin, mi talemaot se ol toktok ia oli no tru. Mifala i no stap tijim fasin blong man i gat fulap woman o fasin blong man i maredem fulap woman long semtaem, mo mifala i no stap letem blong eniwan i folem fasin ia, mo mi talem se toktok we i talem se i gat foti o wan narafala namba blong ol man we oli maredem fulap woman long taem ia we oli bin selebretem insaed long ol Tempol blong mifala, o long eni narafala ples long kantri, ol toktok ia oli no tru.

I gat ripot blong wan kes, we oli talem se oli bin selebretem maredem insaed long Endaomen Haos, insaed long Sol Lek Siti, long Spring blong yia 1889, be mi no save kasem huia nao i bin mekem seremoni ia; wanem we i bin hapen long saed ia, mi mi no save long hem. From samting ia we oli talem se i hapen, folem instraksen blong mi, oli brekem daon Endaomen Haos ia finis.

From se Kongres i bin pasem ol loa we i blokem fasin blong maredem plante woman long semtaem, mo ol loa ia, kot i talem se i stret folem konstitusen, naoia, mi talem se mi gat ful tingting blong folem ol loa ia, mo blong yusum paoa blong mi wetem ol memba blong Jos we mi mi prisaed ova long olgeta, blong mekem se olgeta tu, oli folem semmak.

I no gat wan samting, long ol tijing blong mi i go long Jos, o long ol tijing blong olgeta we oli wok wetem mi, long taem ia we oli tokbaot, we oli save talem o i stap leftemap tingting blong fasin blong maredem plante woman long semtaem; mo taem eni Elda blong Jos i bin yusum lanwis ia we i luk se i stap pasem eni kaen tijing ia, nao oli bin tok strong long hem. Mi, naoia, long pablik, mi talemaot se advaes blong mi i go long Ol Lata-dei Sent se oli mas stop blong mared long wei ia we loa blong kantri i blokem olgeta blong mekem.

LONG SAED BLONG PABLIK ANAONSMEN

Lod bae i no save letem mi o eni narafala man we i stap olsem Presiden blong Jos ia blong lidim yufala i go rong. Hemia i no stap long plan. Hemia i no stap long tingting blong God. Sapos mi traem blong mekem hemia, Lod bae i karemaot mi long ples blong mi, mo bambae hem i mekem i semmak long eni narafala man we i traem blong lidim ol pikinini blong ol man oli go longwe long olgeta we oli kasem ol revelesen we oli kam long God, mo longwe long diuti blong olgeta. (Namba Sikistiwan Medel Yia Jeneral Konfrens blong Jos, Mandei 6 Oktoba 1890, Sol Lek Siti, Yuta. Oli bin ripotem insaed long niuspepa ia, *Deseret Evening News*, long namba 11 Oktoba 1890, pej 2.)

I nomata hu i laef mo hu i ded, o hu nao Lod i singaotem blong lidim Jos ia; oli mas lidim Jos tru long toktok we i kam long God we I Gat Olgeta Paoa. Sapos oli no mekem samting ia long wei ia, bae oli no save mekem wok ia nating. . . .

I no longtaem i pas, mi bin kasem sam revelesen, ol revelesen we oli impoten long mi, mo bae mi talemaot long yufala wanem nao Lod i bin talem long mi. Plis, letem mi mekem yufala i tingbaot se wanem nao oli singaotem pablik anaonsmen. . . .

Lod i bin talem long mi blong mi askem wan kwestin long ol Lata-Dei Sent, mo tu, Hem i bin talem long mi se: “Sapos oli lisin gud long wanem mi bin talem long olgeta mo oli ansarem kwestin we mi askem long olgeta, tru long Spirit mo paoa blong God, bae evriwan i ansa semmak, mo bae evriwan i biliv semmak long saed blong poen ia.”

Kwestin ia i olsem: ?Wijwan nao i rod we i moa gud blong ol Lata-dei Sent oli folem?—?blong oli gohed blong traem praktisim fasin blong man i maredem fulap woman long semtaem, wetem ol loa blong kantri we i agensem fasin ia mo agens blong siksti milian pipol, mo praes blong pem i blong blokem mo lusum evriwan long ol Tempol, mo stopem evriwan long ol odinens we oli mekem insaed, tugeta blong olgeta we oli laef mo olgeta we oli ded, mo blong mekem se Fas Presidensi mo Olgeta Twel-f mo ol hed blong ol famli insaed long Jos oli go long kalabus, mo blong gavman i karembak evri samting blong ol pipol (mo evri samting ia bae i mekem ol memba oli stopem fasin ia)? o, ?afta we yumi bin safa finis from se yumi bin folem prinsipol ia, blong i moa gud blong yumi stopem fasin ia mo stap folem loa, mo taem yumi mekem olsem, yumi livim ol Profet, ol Aposol, mo ol papa long hom, blong mekem se oli save tijim ol pipol mo mekem ol wok blong Jos, mo tu, livim ol Tempol i stap long han blong ol Sent, blong mekem se oli save kasem ol odinens blong Gospel, tugeta, blong olgeta we oli laef mo olgeta we oli ded?

Lod i bin soemaot long mi, tru long visen mo revelesen, wanem stret bae i hapen sapos yumi no stopem fasin ia. Sapos yumi no bin stopem fasin ia, bambae yufala i no nidim . . . eniwan long ol man ia insaed long tempol ia long Logan; from we evriwan long odinens bae i stop raon long graon blong Saeon. Tingting we i fasfas bae i rul raon long Isrel, mo plante man bae oli go long kalabus. Trabol ia, bae i kasem ful

Jos, mo bae yumi mas fos nomo blong stopem fasin ia. Naoia, kwestin i stap se: ?I gud blong fasin ia i stop long wei ia, o long wei we Lod i bin soemaot long yumi, mo livim ol Profet mo ol Aposol mo ol papa blong yumi oli ol fri man, mo ol tempol oli stap long han blong ol pipol, blong mekem se Lod i save pemaot ol dedman? Wan bigfala namba blong ol dedman ia, ol pipol oli mekem olgeta oli kam fri finis long kalabus haos we oli stap long hem long spirit wol, mo ?olsem wanem? ?bae wok i gohed o i stop? Hemia nao kwestin we mi putum i stap long fored blong ol Lata-dei Sent. Yufala i mas skelem samting ia yufalawan. Mi wantem yufala i ansarem kwestin ia blong yufalawan. Bae mi mi no ansarem; be mi talem long yufala se, hemia nao stret ples we yumi, olsem wan pipol, bae yumi stap long hem, sapos yumi no bin tekem rod ia we yumi tekem naoia.

. . . Mi bin luk stret samting we bae i hapen sapos Jos i no bin mekem wan aksen. I longtaem finis we spirit ia i hevi long tingting blong mi. Be mi wantem talem hemia: mi rere blong letem evri tempol i kamaot long han blong yumi, blong mi go long kalabus, mo blong letem evri narafala man i go long kalabus, sapos God blong heven i no bin komandem mi blong mekem wanem we mi bin mekem; mo taem we aoa i kam we Lod i komandem mi blong mekem hemia, evri samting i klia long mi. Mi bin go long fored blong Lod, mo mi bin raetem wanem we Lod i bin talem long mi blong raetemdaon. . . .

Mi livim hemia wetem yufala, blong yufala i lukluk mo tingting long hem. Lod i stap mekem wok wetem yumi. (Kaj Stek Konfrens, Logan, Yuta, Sandei 1 Novemba 1891. Oli ripotem insaed long niuspepa ia, *Deseret Weekly*, long 4 Novemba 1891.)

Naoia, bae mi talemaot long yufala wanem we Lod i bin soemaot long mi mo wanem nao wok blong Pikinini blong God long pablik anaonsmen ia. . . . Semmak olsem we i tru se God we I Gat Olgeta Paoa i stap laef, nao i tru se evri samting ia bae i mas hapen, sapos Pablik Anaonsmen ia i no bin kamaot. From hemia, Pikinini blong God i filim se i stret blong oli presentem samting ia long Jos mo long wol, from ol stamba tingting we oli stap long tingting blong hemwan. Lod i bin talem wetem atoriti se bae oli stanemap Saeon. Hem i bin talem wetem atoriti se bae oli mas finisim tempol. Hem i bin talem wetem atoriti se bae fasin blong sevem man, blong olgeta we oli laef mo olgeta we oli ded, bae i kamtru long ol vale ia blong ol bigfala hil ia. Mo God we I Gat Olgeta Paoa i bin talem wetem atoriti se, Devel, bae i no blokem wok ia. Sapos yufala i save haremsave hemia, hemia nao ki long samting ia. (I kamaot long wan toktok long nambasikis sesen blong dedikesen blong Sol Lek Tempol, Epril 1893. Toktok we oli taepem abaot ol Dedikesen Seves, Akaev, Jos Histri Dipatmen, Sol Lek Siti, Yuta.)

Hem i save helpem yu blong ansarem sam kwestion long saed blong gospel, blong stadi long samfala topik insaed long ol skripja, blong rere long ol toktok mo ol lesen, mo blong mekem save mo testemoni blong yu long gospel i kam antap.

Daegram ia bae i eksplenem wan toktok we i stap long Gaed long Ol Skripja:

Ol Topik oli stap long dak leta.

Wol. *Luk tu long* Babel, Babilon; Ded, We i Save, Laef long Wol; Krietem, Kriesen

Samtaem, sam narafala topik insaed long gaed ia i tekem sam infomesen we i go wetem topik we yu stap stadi long hem. Toktok we i stap long italik *Luk tu long* i lidim yu long ol narafala topik ia we i go wetem topik we yu stap stadi long hem.

Wetem ol topik, i gat wan smol toktok blong talemaot mining.

Planet we yumi stap laef long hem, we God i bin krietem tru long Jisas Kraes blong man i yusum long taem blong tes blong hem long wol. Las fiuja blong wol i blong kasem glori mo kam niu (D&K 77:1-2; 130:8-9). Blong olgeta we oli laef klin inaf, wol ia bae i kam wan ples blong kasem wan selestial glori (D&K 88:14-26). Bae oli glad blong stap long ples we Papa mo Pikinini i stap long hem (D&K 76:62). Long nara wei, oli ol pipol ia we oli no obei long ol komanmen blong God.

Ol Skripja refrens we i helpem yu blong andastanem mining we i stap long braket.

Sam topik, oli gat ol narafala toktok andanit. Ol toktok ia oli stap long italik.

God i krietem wol blong man: God i givim long man blong i rul ova long wol, **Jen** 1:28 (Moses 2:28). Wol ia i blong **Lod**, **Eks** 9:29 (Sam 24:1). Lod i givim wol ia long ol pikinini blong ol man, **Sam** 115:16. Mi bin mekem wol ia mo mi bin krietem man we i stap laef long hem, **Aes** 45:12.

Tru long paoa blong toktok blong hem nao man i kam long wol, **Jek** 4:9.

Long fored blong wanwan skripja refrens, i gat wan sot toktok we i kam long skripja, o wan sot toktok we i tokbaot skripja.

Long braket oli givim ol skripja refrens we i go wetem.

Wol ia, bae God i givim long olgeta we oli tekem Tabu Spirit blong i stap olsem gaed blong olgeta, **D&K** 45:56-58 (D&K 103:7). Olgeta we oli bin obei long gospel oli kasem ol gudfala samting blong wol ia olsem wan praes, **D&K** 59:3. Olgeta we oli pua mo olgeta we oli no flas long wol ia bambae oli kasem wol ia, **D&K** 88:17 (Mat 5:5; 3 Nif 12:5).

Samtaem, bae oli no putum infomesen abaot wan topik andanit long topik we yu stap lukluk. Toktok long italik *Luk long* i talemaot long yu topik we infomesen ia i stap long hem.

Bambae yumi mekem wan wol, mo bambae yumi testem olgeta, **Ebr** 3:24-25.
