FAS TOKTOK

Buk blong Momon i wan buk blong tabu skripja semmak long Baebol. Hem i wan histri blong ol wok blong God wetem ol man bifo we oli stap laef long Ol Amerika mo i holem fulwan blong gospel ia we i no gat en.

Plante profet blong bifo oli bin raetem buk ia tru long spirit blong profesi mo revelesen. Ol toktok blong olgeta, we oli bin raetem long ol buk we oli mekem wetem gol, wan profet mo wan man blong histri we nem blong hem i Momon, i bin raetem ol stret toktok blong ol profet ia mo i bin raetem olgeta oli kam sot. Histri ia, i givim wan histri blong tu bigfala grup blong pipol. Wan i bin kamaot long Jerusalem 600 B.K.B., mo afta, hem i bin seraot i go long tu grup we oli save olgeta olsem, Ol Man blong Nifae, mo Ol Man blong Leman. Narafalawan i bin kam fastaem long taem we Lod i bin jenisim ol lanwis long Taa blong Babel. Grup ia, oli save olsem olgeta Ol Man blong Jared. Afta plante taosen yia, olgeta evriwan i bin ded be Ol Man blong Leman nomo oli bin stap laef, mo oli ol stret bubu blong ol Indian blong Amerika.

Bigfala stori we i stap insaed long Buk blong Momon hem i seves blong Lod Jisas Kraes we hemwan i bin mekem long medel blong Ol Man blong Nifae kolosap afta we Hem i bin laef bakegen long ded. Buk i soemaot ol doktrin blong gospel, i soem plan blong fasin blong sevem man, mo i talem long ol man, wanem oli mas mekem blong kasem pis long laef ia, mo fasin blong sevem man we i no save finis long laef we bae i kam.

Afta we Momon i bin finisim ol raeting blong hem, hem i bin givim histri ia long boe blong hem Moronae, we i bin raetem smol toktok moa blong hemwan mo i bin haedem ol buk ia long Hil Kumora. Long 21 Septemba 1823, semfala Moronae ia, long taem ia hem i gat wan bodi blong glori, mo i bin kasem laef bakegen long ded, i bin kamaot long Profet Josef Smit, mo i bin tijim hem long saed blong histri ia blong bifo we bae hem i mas transletem i kam long Inglis lanwis.

Afta, long stret taem, hem i bin givim ol buk ia long Josef Smit, we i bin transletem olgeta tru long presen mo paoa blong God. Nao ia oli printim histri ia long plante lanwis olsem wan niu mo narafala witnes se Jisas Kraes i Pikinini blong God we i stap laef, mo se olgeta we bae oli kam long Hem mo obei ol loa mo ol odinens blong gospel blong Hem, bambae Hem i sevem olgeta.

Long saed blong histri ia, Profet Josef Smit i bin talem: "Mi bin talem long ol brata se Buk blong Momon i moa stret bitim eni narafala buk long wol, mo i ki ston blong relijin blong yumi, mo wan man bae

i kam moa kolosap long God sapos hem i folem ol tijing blong hem, bitim eni narafala buk."

Wetem Josef Smit, Lod i bin jusum leven narafala man blong luk long ae blong olgeta, ol buk we oli mekem wetem gol, mo blong kam ol spesel witnes se Buk blong Momon i tru mo i kam long God. Ol testemoni blong olgeta we oli bin raetem, oli stap insaed long buk ia olsem "Testemoni blong Olgeta Tri Witnes" mo "Testemoni blong Olgeta Eit Witnes."

Mifala i askem evri man long evri ples blong ridim Buk blong Momon, blong tingting hevi long hat blong olgeta, mesej we i stap insaed long hem, mo afta, blong askem God, Papa we I No Save Finis, long nem blong Kraes sapos buk ia i tru. Olgeta we oli folem stamba tingting ia, mo askem wetem fet bae oli kasem testemoni se hem i tru, mo se i kam long God, tru long paoa blong Tabu Spirit. (Luk long Moronae 10:3–5.)

Olgeta we oli kasem tabu witnes ia tru long Tabu Spirit, bae oli kam blong save tu tru long sem paoa, se Jisas Kraes i Sevyia blong wol, se Josef Smit i man blong revelesen blong Hem mo profet long ol las dei ia, mo se Jos Ia blong Jisas Kraes blong Ol Lata-dei Sent i kingdom blong Lod we i stanap wan taem bakegen long wol, blong mekem man i rere from Seken Kaming blong Mesaea.

TESTEMONI BLONG OLGETA TRI WITNES

Toksave i go long evri kantri, famli, lanwis, mo pipol, we bae ol wok ia bae i go long olgeta: Se mifala tru long gladhat blong God Papa, mo Lod blong yumi Jisas Kraes, i bin luk ol buk we i holem ol histri ia, we i wan histri blong ol pipol blong Nifae, mo tu, blong Ol Man blong Leman, ol brata blong olgeta, mo tu, blong ol pipol blong Jared, we i bin kam long taoa we oli bin tokbaot. Mo mifala i save tu se hem i bin transletem olgeta tru long presen mo paoa blong God, from voes blong hem i bin talemaot samting ia long mifala; taswe, mifala i save gud se wok i tru. Mo mifala i testifae tu se mifala i bin luk ol raeting we oli stap long ol buk; mo hem i bin soemaot samting ia tru long paoa blong God, mo i no blong man. Mo mifala i talemaot wetem tru toktok, se wan enjel blong God i bin kamdaon long heven, mo hem i bin karem mo putum long fored blong ol ae blong mifala we mifala i bin luk mo luk gud ol buk ia mo ol raeting we oli stap long hem; mo mifala i save se i tru long gladhat blong God, Papa mo Lod blong yumi Jisas Kraes, we mifala i bin luk mo talemaot se ol samting ia oli tru. Mo samting ia i gud tumas long ol ae blong mifala. Be, voes blong Lod i bin givim oda long mifala se mifala i mas talemaot samting ia. From samting ia, blong obei ol komanmen blong God, mifala i talemaot testemoni long saed blong samting ia. Mo mifala i save se sapos mifala i holemtaet fet long Kraes, bae mifala i wasemaot blad blong ol man long ol klos blong mifala, mo stanap klin long fored blong jea blong jajmen blong Kraes, mo bae mifala i stap wetem hem long heven kasesem taem we i no save finis. Mo ol ona i go long Papa, mo long Piki-nini, mo long Tabu Spirit, we i wan God. Amen.

TESTEMONI BLONG PROFET JOSEF SMIT

Ol stret toktok blong Profet Josef Smit long saed blong olsem wanem nao Buk blong Momon i bin kamaot:

“Long naet blong . . . nambatwantewan blong manis Septemba [1823] . . . mi bin go prea mo askem strong long God we I Gat Olgeta Paoa. . . .

“Taem we mi bin stap rere blong mekem prea long God, mi luk wan laet i stap kamaot long rum blong mi, we i bin gohed blong gro kasesem taem we rum blong mi i laet moa, i bitim medel dei mo wantaem nomo, wan enjel i kamaot kolosap long bed blong mi, mo hem i stanap nomo long ea, from ol leg blong hem oli no tajem graon.

“Hem i bin werem wan longfala klos we i slak long bodi blong hem mo waet kala blong hem i naes tumas. Waet kala ia i bitim evri saming we i waet long wol ia, we mi bin luk bifo; mo mi no bilivim se i gat eni saming long wol ia, oli save mekem i luk waet olsem mo i saen olsem. Ol han blong hem i neked, mo ol han blong hem tu, smol antap long joen blong han; mo semmak olsem tu, ol leg blong hem i neked smol antap long ol angkol. Hed mo nek blong hem i bin neked tu. Mi save faenemaot se hem i no bin werem eni narafala klos be longfala klos ia nomo, from i open we mi save luk jes blong hem.

“I no longfala klos blong hem nomo we i stap waet tumas, be ful bodi blong hem i saen, mi no save olsem wanem blong tokbaot saming ia, mo fes blong hem i saen olsem laetning. Rum blong mi tu, i laet olgeta, be i no saen bigwan olsem laet raonabaot long bodi blong hem. Taem we mi luk hem blong fas taem, mi bin fraet; be afta smol taem nomo, fraet blong mi i lus.

“Hem i singaotem mi long nem blong mi, mo i talem long mi se hem i wan mesenja we God i bin sendem hem i aot long fes blong hem i kam long mi, mo se nem blong hem i Moronae, se God i gat wan wok we hem i wantem mi blong mekem. Mo plante man bae oli laekem nem blong mi, mo plante bae i no laekem nem blong mi, long medel blong evri kantri, famli, mo ol lanwis, o se nem blong mi bae oli tokbaot gud o nogud long medel blong evri pipol.

“Hem i bin talem se i gat wan buk we oli bin berem, we oli raet long ol buk we oli mekem wetem gol, oli givim wan histri blong ol man bifo we oli bin stap laef long kantri ia, mo ples we oli bin kamaot long hem. Hem i talem tu se fulwan blong gospel ia we i no gat en, i stap insaed long buk ia, olsem we Sevyia i bin givim long ol man we oli bin stap laef bifo;

“Mo tu, se i gat tu ston insaed long ol silva bonara—mo tufala ston

ia, i joen wetem wan jesplet, i mekem wanem oli singaotem Yurim mo Tumim—oli bin berem wetem ol buk ia; mo ol man we oli holem mo yusum ol ston ia, i samting we i mekem 'ol sia' blong ol taem bifo o olfala taem; mo we God i bin mekem rere olgeta from stamba tingting blong transletem buk ia.

“Bakegen, hem i bin talem long mi, se taem we mi kasem ol buk ia, we hem i tokbaot—from taem we mi mas kasem olgeta i no hapen yet—mi no mas soemaot olgeta long eni man; mo tu, jesplet, wetem Yurim mo Tumim, be nomo long olgeta ia we God i givim oda blong mi soem long olgeta; sapos mi no mekem olsem bae mi kasem panis. Long taem we hem i stap toktok wetem mi long saed blong ol buk ia, visen i open long tingting blong mi we mi save luk ples ia we oli bin berem ol buk ia long hem. Mo we i klia gud mo i stret, mekem se mi save ples ia bakegen taem mi bin visitim ples ia.

“Afta we mi finis toktok wetem enjel ia, mi luk laet long rum i stat blong kam raonem man ia we i bin toktok long mi, mo i gohed blong mekem olsem kasem taem we rum i bin stap tudak bakegen be smol laet nomo i raonem hem nomo. Nao, long stret taem we samting ia i kamaot, mi luk wan bigfala hol, olsem wan bigfala paep i go stret antap long heven, mo hem i bin go antap kasem taem we hem i bin lus fulwan, mo rum i stap olsem we i bin stap bifo we laet ia blong heven i kamaot.

“Mi stap ledaon mo mi stap tingbaot spesel samting ia we i jes kamaot long mi, mo mi tingting hevi tumas long saed blong wanem we enjel ia i bin talem long mi; long semtaem long medel blong tingting hevi blong mi, mi bin faenem kwiktaem se laet ia i stap kamaot bakegen long rum blong mi, mo kwiktaem nomo, olsem we i bin stap, semfala mesenja ia blong heven i stap long saed blong bed blong mi bakegen.

“Hem i stat; mo bakegen i talemaot ol semfala samting we hem i bin mekem long fasfala taem we hem i bin kam. Evri toktok i semmak nomo, we afta hem i mekem samting ia, hem i talemaot long mi ol bigfala jajmen we bae oli kam long wol tru long bigfala hadtaem blong kasem kaekae, naef blong faet, mo sik; mo se, ol rabis jajmen ia bae oli kam long wol long jeneresen ia. Afta we hem i talemaot ol samting ia, hem i gobak antap olsem we hem i bin mekem bifo.

“Afta samting ia, ol tingting i bin go dip insaed long maen blong mi, i mekem se slip i ronwe long ae blong mi, mo mi ledaon wetem bigfala sapraes long ol samting we mi bin luk tugeta wetem ol samting we mi bin harem. Be i bin bigfala sapraes blong mi bakegen, long taem we mi luk semfala mesenja kolosap long bed blong mi, hem i bin talem o talemaot bakegen long mi ol samting olsem bifo; mo i ademap wan woning long mi, i talem long mi se Setan bae i traem blong temtem

mi (from we famli blong papa blong mi i no gat plante mane), blong mi kasem ol buk ia, blong stamba tingting blong kam rij. Samting ia hem i bin blokem mi long hem, i se mi no mas gat eni narafala tingting long ae blong mi; be hemia nomo blong leftemap God, mo mi no mas folem eni narafala tingting be blong stanemap kingdom blong hem nomo; sapos no, bae mi no save kasem olgeta.

"Afta long nambatri visit ia, hem i bin gobak antap long heven olsem bifo. Mo mi bin stap bakegen blong tingting hevi long olgeta defren kaen samting we i jes kamaot long mi; kwiktaem nomo olsem stret taem afta we mesenja blong heven i bin go antap, i aot long mi blong nambatri taem, faol i bin singaot, mo mi faenem se deilaet i stap kam, i minim se ol storian blong mitufala i bin tekem kolosap ful naet ia.

"I no longtaem afta we mi bin girap aot long bed blong mi, mo gohed olsem evri taem blong mekem ol wok blong dei; be, long taem mi traem blong wok olsem ol narafala taem, mi bin faenem se bodi blong mi i slak we i mekem se mi no save mekem wok. Papa blong mi, we i bin stap wok wetem mi, i faenem se wan samting i no stret wetem mi, mo i talem mi blong go long haos. Mi bin stat wetem stamba tingting blong gobak long haos; be, long taem we mi traem blong klaem ova long fanis aot long fil we mifala i bin stap long hem, paoa blong mi i lus evriwan, mo mi foldaon long graon olsem se mi ded, mo blong wan smol taem mi no bin save eni samting.

"Fasfala samting we mi save tingbaot, i wan voes we i stap toktok long mi, i stap singaotem mi long nem blong mi. Mi bin lukluk i go antap, mo mi bin luk semfala mesenja ia, i stanap kolosap long hed blong mi, laet i raonem hem olsem bifo. Afta hem i talemaot bakegen long mi evri samting we hem i bin talemaot long mi long naet bifo, mo i givim oda long mi blong go long papa blong mi mo talem long hem long saed blong visen mo ol komanmen we mi bin kasem.

"Mi obei; mi gobak long papa blong mi long fil, mo talemaot evri samting long hem. Hem i talem se samting ia i wan samting blong God, mo i bin talem long mi blong go mo mekem ol samting we mesenja i bin talemaot long mi. Mi aot long fil mo go long ples ia we mesenja i bin talem long mi se ol buk ia oli stap long hem, mo from visen we mi bin kasem i klia gud long saed blong samting ia, mi bin save ples ia long stret taem we mi kasem ples ia.

"Kolosap long vilej blong Manjesta, Ontario kaonti, Niu Yok, i gat wan bigfala hil we i bigwan, we i moa hae long eni narafala hil long ples ia. Long Wes saed blong hil ia, i no longwe long top blong hem, andanit long wan ston we i bigwan, ol buk ia oli stap insaed long wan ston bokis. Ston ia i bigwan, mo saed antap i raon long medel, mo i smol long ol saed, mekem se medel pat blong hem, man

i save luk antap long graon, be saedsaed blong hem, graon i bin kavremap.

“Afta we mi bin tekemaot ol graon, mi tekem wan wud, we mi pu-sum lelebet andanit long saed blong ston ia, mo wetem smol paoa mi leftemap ston ia. Mi bin lukluk i go insaed mo i tru, long ples ia mi luk ol buk ia, Yurim mo Tumim, mo jesplet, olsem we mesenja i bin talem. Bokis we oli stap slip insaed long hem, oli bin mekem wetem ol ston we oli fas tugeta long wan kaen simen. Long botom blong bokis oli putum tu ston we oli krosem bokis ia, mo long tufala ston ia oli bin putum ol buk ia, mo ol narafala samting wetem olgeta.

“Mi bin traem blong tekemaot olgeta, be mesenja i bin blokem mi, mo i talem bakegen long mi se taem ia blong tekemaot olgeta i no kam yet, mo tu, bae i no kam, kasem fo moa yia stat long taem ia, be hem i bin talem long mi se mi mas kam long ples ia stret long wan yia long taem ia, mo we bae hem i mitim mi long ples ia, mo se mi mas gohed blong mekem olsem kasem taem we bae i kam blong kasem ol buk ia.

“Folem hemia, olsem we hem i bin givim oda long mi, mi bin go long en blong evri yia, mo long evri taem, mi luk semfala mesenja long ples ia mo mi bin kasem plante tijing mo save long hem, long evri storian blong mitufala, long saed blong ol samting we Lod bae i mekem mo olsem wanem mo long wanem fasin hem i wantem olgeta blong lidim kingdom blong Hem long ol las dei.

“Ale, taem ia i bin kam blong kasem ol buk ia, Yurim mo Tumim, mo jesplet. Long nambatwantetu dei blong manis Septemba, wan taosen eit hundred mo twanteseven, mi bin go olsem evri taem long en blong wan narafala yia long ples ia we oli bin putum olgeta, nao semfala mesenja blong heven i bin givim olgeta long mi wetem toktok ia: se mi mas lukaotem olgeta; se sapos mi kam slak mo mi lusum olgeta, o tru long eni mistek blong mi, bae God i mas katemaot mi; be sapos bae mi yusum evri wei blong mi blong sevem olgeta, kasem taem we hem, mesenja ia, bae i askem ol samting ia, God bae i lukaotem gud olgeta.

“I no longtaem mi bin faenemaot stamba tingting from wanem mi bin kasem strongfala toktok olsem blong holem olgeta i sef, mo from wanem hem i bin olsem we mesenja i talemaot se afta we mi mekem wanem mi mas mekem wetem han blong mi, bae hem i askem ol samting ia. From afta we olgeta i bin faenemaot se mi holem ol samting ia, oli traem strong tumas long ol wei blong stilim ol samting ia long mi. Oli yusum evri defren trik we oli save tingbaot from stamba tingting ia. Ol fasin blong givim hadtaem we oli bin mekem long mi, i kam moa konkon mo strong bitim bifo. Mo plante grup blong ol pipol i stap rere oltaem blong kasem ol samting ia long mi sapos i save

smol pat nomo blong ol toktok ia long buk ia, hem i bin talem long ol pipol blong hem evri samting long saed blong ol brata blong olgeta we oli stap long graon blong Sarahemla.

2 Mo hem i bin mekem se Amon bae i stanap long fes blong grup blong pipol ia mo talem long olgeta evri samting we i bin hapen long ol brata blong olgeta long stat long taem we Senif i bin kamaot long graon i go kasem taem we hemwan i bin kam aot long graon.

3 Mo tu, hem i bin talemaot long olgeta, ol las toktok we king Benjamin i bin tijim olgeta, mo i bin eksplenem olgeta long ol pipol blong king Limhae, blong mekem se oli save andastanem evri toktok we hem i bin talemaot.

4 Mo i bin hapen se afta we hem i bin mekem evri samting ia, we king Limhae i talem long grup blong pipol ia blong go wanwan, mo i bin mekem se oli gobak, evriwan long wanwan haos blong hem.

5 Mo i bin hapen se hem i bin mekem se oli karem ol buk we oli holem ol "histri blong ol pipol blong hem stat long taem we oli bin lego graon blong Sarahemla, oli kam long fored blong Amon, blong hem i save ridim olgeta.

6 Nao, stret long taem we Amon i bin ridim histri ia, king i bin askem long hem blong save sapos hem i save talem mining blong ol

lanwis, mo Amon i bin talem long hem se hem i no save.

7 Mo king i bin talem long hem se: "From mi stap sore tumas from ol hadtaem blong ol pipol blong mi, mi bin mekem se foti mo tri pipol blong mi oli mas go long waelples, we tru long wei ia oli save faenem graon blong Sarahemla, blong mekem se mifala i save askem long ol brata blong mifala blong mekem mifala i kamaot long fasin blong stap slef.

8 Mo oli bin lus long waelples blong spes blong plante dei, be stil oli bin stap wok strong wetem strong tingting oltaem, mo oli no bin faenem graon blong Sarahemla be oli bin kambak long graon ia, afta we oli bin wokbaot long wan graon we i gat plante wota, oli bin faenem wan graon we ol bun blong ol man, mo ol animol i kavremap, mo tu, plante haos blong plante kaen we oli brokdaon oli stap, oli kavremap graon ia, oli bin faenem wan graon we i bin gat ol pipol long hem, wan pipol we oli bin plante olsem ol grup blong Isrel.

9 Mo olsem wan testimoni se ol samting we oli bin talem i tru, oli bin karem i kam wetem olgeta "twantefo buk we oli fulap wetem ol raeting long hem, mo oli bin mekem olgeta wetem stret gol.

10 Mo luk, oli bin karem i kam tu, wetem olgeta, ol "jesplet we oli bigwan, mo oli bin mekem olgeta

wetem ^bbras mo kopa, mo oli stap stret gud.

11 Mo bakegen, oli bin karem i kam ol naef blong faet we ol handel blong olgeta i nomo gat, mo ol sap ples blong ol naef ia i bin gat fulap rosta; mo i no gat wan man long graon we i save talem mining blong lanwis o ol raeting we oli stap long ol buk ia. From hemia, mi bin talem long yu se: 'Yu save tanem ol lanwis?'

12 Mo mi talem long yu bakegen se: 'Yu save eni man we i save tanem ol lanwis? From mi wantem tumas blong oli save transletem ol histri ia i kam long lanwis blong mifala; blong, maet, oli save givim long mifala wan save long saed blong smol haf blong pipol we oli bin ded, we ol histri ia oli bin kam long hem, o, maet, bae oli givim long mifala wan save long saed blong stret pipol ia we oli bin ded; mo mi wantem tumas blong save from wanem oli bin ded.'"

13 Nao Amon i bin talem long hem se: "Mi save talem stret long yu, O king, long saed blong wan man we i save "transletem ol histri ia, from hem i gat wan samting we hem i save yusum blong luk, mo transletem evri histri we oli blong olfala taem; mo hemia i wan presen we i kam long God. Senif i lidim wan grup long Sarahemla blong tekem graon blong Lihae-Nifae—King blong Ol Man blong Leman i letem olgeta blong tekem graon—I gat faet bitwin Ol Man blong Leman mo ol pipol blong Senif. Raonabaot 200–187 B.K.B.

MI, Senif, oli bin tijim mi long evri lanwis blong Ol Man blong Nifae, mo mi bin gat wan save long saed blong ^agraon blong Nifae, o fasfala graon blong ol papa blong mifala we oli bin karem long ol papa blong olgeta, mo oli bin sendem mi olsem wan spae long medel blong Ol Man blong Leman blong mi save spae long ol ami blong olgeta, blong mekem se ami blong mifala i save kam mo prapa spolem gud olgeta—be taem we mi bin luk ol samting we oli gud long medel blong olgeta, mi no bin wantem se oli prapa spolem gud olgeta.

2 From hemia, mi bin rao wetem ol brata blong mi long waelples, from mi bin wantem se man we i rulum mifala bae i mekem wan promes wetem olgeta; be from hem i wan man we i stronghed mo i tosta from blad, hem i bin givim wan oda se bae oli mas kilimded mi; be oli bin sevem mi tru long plante blad we i bin ron; from papa i bin faet agensem

papa, mo brata agensem brata, kasem taem we bigfala namba blong ami blong mifala i nomo gat long waelples; mo mifala i bin gobak, olgeta long mifala we i no ded, long graon blong Sarahemla, blong talemaot stori ia long ol waef mo ol pikinini blong olgeta.

3 Mo yet, from mi bin wantem tumas blong tekem graon blong ol papa blong mifala, mi bin karem i kam tugeta olgeta we oli bin wantem blong go antap blong tekem graon ia, mo mifala i bin statem bakegen wokbaot blong mifala i go long waelples, blong go antap long graon ia; be mifala i bin kasem hadtaem blong kasem kaekae mo hadtaem we i strong tumas; from mifala i bin slo blong tingbaot Lod, God blong mifala.

4 Be, afta plante dei we mifala i stap goraon long waelples, mifala i bin stanemap ol tenet blong mifala long ples ia we ol brata blong mifala oli bin kilim olgeta i ded long hem, we i bin stap kolosap long graon blong ol papa blong mifala.

5 Mo i bin hapen se mi bin go bakegen wetem fo man blong mi insaed long bigtaon, long king, blong mi save kasem tingting blong king, mo blong mi save sapos mi save go insaed wetem ol pipol blong mi mo tekem graon long wan fasin blong pis.

6 Mo mi bin go long king mo hem i bin mekem wan kavenan

wetem mi se bae mi save stap long graon blong Lihae-Nifae, mo graon blong Saelom.

7 Mo tu, hem i bin givim oda long ol pipol blong hem se oli mas aot long graon, mo mi mo ol pipol blong mi i bin go long graon we mifala i save stap long hem.

8 Mo mifala i stat blong bildim ol haos, mo blong fiksिम ol wol blong bigtaon ia, yes, ol wol blong bigtaon blong Lihae-Nifae tu, mo bigtaon blong Saelom.

Mo i bin hapen long nambaleven manis blong nambanaentin yia, long nambaten dei blong manis, Ol Man blong Nifae oli luk ol ami blong Ol Man blong Lemanae oli stap kam long graon blong Amonaeha.

2 Mo luk, oli bin wokem bigtaon ia bakegen, mo Moronae i putum wan ami long ol boda blong bigtaon, mo oli hivimap graon raonabaot blong blokem ol ara mo ol ston blong Ol Man blong Lemanae; from luk, oli faet wetem ol ston mo ol ara.

3 Luk, mi bin talem se bigtaon blong ^aAmonaeha oli bildim bakegen. Mi talem long yufala, yes, se oli bin bildim pat blong hem nomo bakegen; mo from Ol Man blong Lemanae oli bin prapa spolem gud long wan taem, from nogud fasin blong ol pipol, oli ting se bae i kam wan isi ples blong oli tekem bakegen.

4 Be luk, harem nogud blong olgeta i bigwan tumas; from luk, Ol Man blong Nifae oli digim wan hip blong graon raonem olgeta, we i hae tumas we Ol Man blong Lemanae oli no save sakem ol ston blong olgeta mo ol ara blong olgeta long olgeta blong kilim olgeta, mo tu, oli no save kam long olgeta, be tru long get nomo.

5 Nao long taem ia ol jif kapten blong Ol Man blong Lemanae oli sapraes tumas, from waes tingting blong Ol Man blong Nifae blong mekem rere ol sef ples blong olgeta.

6 Nao ol lida blong Ol Man blong Lemana oli ting se, from bigfala namba blong olgeta, yes, oli ting se bae janis blong olgeta blong kam long olgeta olsem we oli bin mekem bifo; yes, mo tu, oli bin mekem olgeta oli rere wetem ol sil, mo wetem ol jesplet blong olgeta; mo tu, oli bin mekem olgeta oli rere wetem ol klos we oli mekem wetem ol skin, yes, ol klos we oli tik bigwan blong blokem neked bodi blong olgeta.

7 Mo from we olsem ia nao oli bin rere, oli ting se bae oli winim olgeta isi nomo mo mekem ol brata blong olgeta i go long yok blong slef, o kilinded mo kilinded olgeta nogud folem wanem oli glad blong mekem.

8 Be luk, long sapraes blong olgeta we i bigwan olgeta, oli bin "rere long olgeta, long wan fasin we ol pikinini blong Lihae oli neva bin gat save long hem. Nao oli rere from Ol Man blong Lemana, blong faet folem ol fasin blong oda blong Moronae.

9 Mo i bin hapen se Ol Man blong Lemana, o Ol Man blong Amalekaea, oli sapraes tumas long fasin blong olgeta blong rere blong faet.

10 Nao, sapos king Amalekaea i kam daon long "graon blong Nifae, long fored blong ami blong hem, maet bae hem i mekem Ol Man blong Lemana oli atakem Ol Man blong Nifae long bigtaon

blong Amonaeha; from luk, hem i no wari long blad blong ol pipol blong hem.

11 Be luk, Amalekaea i no kam daon hemwan blong faet. Mo luk, ol jif kapten blong hem oli fraet blong atakem Ol Man blong Nifae long bigtaon blong Amonaeha, from Moronae i jenisim ol fasin blong wok wetem Ol Man blong Nifae, inaf blong mekem se Ol Man blong Lemana oli harem nogud from ol ples blong haed blong olgeta mo oli no save go agensem olgeta.

12 From hemia, oli gobak long waelples, mo oli tekem kamp blong olgeta mo maj i go long graon blong Noa, from oli ting se ples ia nao i nekis ples we i gud blong oli go agensem Ol Man blong Nifae.

13 From we oli no bin save se Moronae i mekem ples i kam strong moa, o hem i bildim ol "strong haos blong ami blong oli sef long hem, blong evri bigtaon long evri graon raonabaot; from hemia, oli maj i go long graon blong Noa wetem wan strongfala tingting; yes, ol jif kapten blong olgeta oli kam fored mo mekem wan strong promes se bae oli prapa spolem gud ol man blong bigtaon ia.

14 Be luk, long sapraes blong olgeta, bigtaon blong Noa, we bifo i bin wan ples we i no strong, we naoia, folem ol wei blong Moronae, i kam strong, yes, i go

bitim paoa blong bigtaon blong Amonaeha.

15 Mo nao luk, hemia i bin waes tingting long Moronae; from hem i ting se bae oli fraet long bigtaon blong Amonaeha; mo olsem we bigtaon blong Noa, long bifo, i bin pat blong graon we i slak, from hemia bae oli maj i go long ples ia blong faet; mo olsem ia nao oli mekem folem ol tingting blong hem.

16 Mo luk, Moronae i jusum Lihae blong kam jif kapten ova long ol man blong bigtaon ia; mo hem i "sem Lihae ia we i bin faet wetem Ol Man blong Leman long vale long Is blong reva Saedon.

17 Mo nao luk, i bin hapen se, taem we Ol Man blong Leman oli faenemaot se Lihae i gat paoa blong bigtaon ia, oli harem nogud bakegen, from oli fraet tumas long Lihae; be ol jif kapten blong olgeta oli bin promes wetem wan strong promes blong atakem bigtaon ia; from hemia, oli kam wetem ol ami blong olgeta.

18 Nao luk, Ol Man blong Leman oli no save go insaed long ol strong sef haos blong ami, be oli mas go insaed tru long get nomo, from hip graon we oli bin wokem i hae tumas, mo dip blong hol ia we oli bin digim raonem i dip, be long get nomo i no olsem.

19 Mo olsem ia nao Ol Man blong Nifae oli bin rere blong prapa spolem gud olgeta we bae oli traem blong klaem antap blong go insaed long sef haos blong ami

long eni narafala rod, long fasin blong sakem ol ston mo ol ara long olgeta.

20 Olsem ia nao oli bin rere, yes, wan grup blong ol man blong olgeta we oli strong olgeta, wetem ol naef blong faet blong olgeta mo ol sling blong olgeta, blong kilim daon olgeta we bae oli traem blong go insaed long sef haos tru long get; mo olsem ia nao oli bin rere blong difendem olgeta agensem Ol Man blong Leman.

21 Mo i bin hapen se ol kapten blong Ol Man blong Leman oli tekem ol ami blong olgeta oli kam long fored blong get, mo oli stat blong faet wetem Ol Man blong Nifae, blong go insaed long sef haos; be luk, oli pusum olgeta i gobak plante taem, mekem se oli kilimded olgeta we namba blong dedman i bigwan tumas.

22 Nao taem we oli faenemaot se oli no save kasem paoa ova long Ol Man blong Nifae long rod blong get, oli stat blong digim ol wol blong graon blong olgeta blong mekem se oli save mekem wan rod blong ol ami blong olgeta oli go, blong oli gat sem janis blong faet; be luk, taem oli stap traem mekem hemia, oli bin smasem gud olgeta wetem ol ston mo ol ara we oli bin sakem long olgeta; mo oli no stap fulumap ol hol blong olgeta wetem graon, be oli bin fulumap kasem wan mak wetem ol ded bodi blong olgeta mo ol bodi blong olgeta we oli kasem kil.

23 Mo olsem ia nao Ol Man blong Nifae oli gat evri paoa ova long ol enemi blong olgeta; mo olsem ia nao Ol Man blong Lemana oli traem blong prapa spolem gud evriwan Ol Man blong Nifae kasem taem we oli kilimded evri jif kapten blong olgeta; yes, wetem moa bitim wan taosen long Ol Man blong Lemana we oli kilimded; be semtaem, long nara-saed, i no bin gat wan sol blong Ol Man blong Nifae we i ded.

24 I gat raonabaot fifti we oli kasem kil, we ol ara blong Ol Man blong Lemana i kasem olgeta tru long rod blong get, be oli bin blokem ol bodi blong olgeta wetem ol sil blong olgeta, mo ol jesplet blong olgeta, mo ol hat blong faet blong olgeta, mekem se ol kil blong olgeta i stap long ol leg blong olgeta, plante long ol kil ia oli nogud tumas.

25 Mo i bin hapen se, taem we Ol Man blong Lemana oli luk se oli kilimded evri jif kapten blong olgeta, oli ronwe i go long waelples. Mo i hapen se, oli gobak long graon blong Nifae, blong talemaot long king blong olgeta, Amalekaea, we i bin bon olsem wan man blong Nifae, abaot bigfala lus blong olgeta.

26 Mo i bin hapen se hem i kros tumas long ol pipol blong hem, from hem i no kasem tingting blong hem long Ol Man blong Nifae; hem i no putum olgeta andap long yok blong slef.

27 Yes, hem i kros tumas, mo hem i ^asakem wan strong nogud tok agensem God, mo tu, agensem Moronae, hem i mekem wan ^bstrong promes blong dring blad blong hem; mo hemia from we Moronae i stap obei ol komanmen blong God blong mekem rere blong putum ol pipol blong hem oli stap sef.

28 Mo i bin hapen se long nara-saed, ol pipol blong Nifae oli talem “tangkyu long Lod, God blong olgeta, from paoa blong hem we i bigwan tumas blong mekem olgeta oli kam fri long ol enemi blong olgeta.

29 Mo olsem ia nao nambanaentin yia blong rul blong ol jaj ova long ol pipol blong Nifae i bin finis.

30 Yes, mo i bin gat pis oltaem long medel blong olgeta, mo i gat bigfala saksess long jos from fasin we oli gat blong obei mo wok strong blong mekem folem toktok blong God, we oli bin harem long Hileman, mo Siblon, mo Korianton, mo Amon mo ol brata blong hem, yes, mo tru long olgeta evriwan we oli bin odenem olgeta tru long “tabu oda blong God, we oli bin kasem baptaes afta we oli sakem sin, mo oli sendem olgeta i go blong prij long medel blong ol pipol.

5 Mo oli mekem rere ol taoa ia blong oli save yusum antap blong hem blong sakem ol ston, folem wanem oli wantem mo folem paoa blong olgeta, mo oli save kilimded eni man we bae i traem blong kam kolosap long ol wol blong bigtaon.

6 Olsem ia nao Moronae i mekem rere ol bigtaon blong kam strong agensem ol enemi blong olgeta we bae oli kam, raonem evri bigtaon long evri graon.

7 Mo i bin hapen se Moronae i mekem se ol ami blong hem oli go long Is blong waelples; yes, mo oli go aot mo oli ronemaot Ol Man blong Lemana we oli stap long Is blong waelples i go long ol graon blong olgeta, we oli stap long Saot blong graon blong Sarahemla.

8 Mo graon blong Nifae i stanap long wan stret rod stat long solwota stat long Is kasem Wes.

9 Mo i bin hapen se taem we Moronae i ronemaot Ol Man blong Lemana aot long Is blong waelples, we i stap long Not blong ol graon we oli blong Ol Man blong Lemana, hem i mekem se ol pipol we oli stap long graon blong Sarahemla mo long graon raonabaot oli mas go long Is long waelples, i go kasem ol boda we oli stap long so blong solwota, mo oli tekem ol graon ia blong olgeta.

10 Mo tu, hem i putum ol ami long Saot, long ol boda blong ol ples we oli blong olgeta, mo hem i mekem olgeta oli wokem

ol strong “wol blong mekem se ol ami mo ol pipol blong olgeta oli stap sef, oli no foldaon long ol han blong ol enemy blong olgeta.

11 Mo olsem ia nao hem i kate-maot ol strong ples blong Ol Man blong Lemana long Is blong wael-ples, yes, mo tu, long Wes, hem i mekem laen bitwin Ol Man blong Nifae mo Ol Man blong Lemana oli kam strong, hemia bitwin graon blong Sarahemla mo graon blong Nifae, stat long solwota blong Wes, go kasem ae blong reva Saedon—Ol Man blong Nifae oli holem evri graon we oli stap long Not, yes, we oli ol graon we oli stap long Not blong graon blong Plante, folem wanem we oli wantem.

12 Olsem ia nao Moronae, wetem ol ami blong hem, we oli stap kam bigwan evri dei from tras ia se ol samting we hem i mekem bae i protektem olgeta, oli lukaotem blong kate-maot paoa mo paoa blong rul blong Ol Man blong Lemana long ol graon we oli blong Ol Man blong Nifae, blong mekem se oli no save gat paoa blong rul long ol graon blong Ol Man blong Nifae.

13 Mo i bin hapen se Ol Man blong Nifae oli statem fandesen blong wan bigtaon, mo oli singaotem nem blong bigtaon ia Moronae; mo i stap kolosap long solwota blong Is; mo i stap long Saot kolosap long laen blong ol graon we oli blong Ol Man blong Lemana.

14 Mo tu, oli statem wan fandesen blong wan bigtaon bitwin bigtaon blong Moronae mo bigtaon blong Eron, we i joenem ol boda blong Eron mo Moronae; mo oli singaotem nem blong bigtaon ia, o graon ia, Nifae.

15 Mo tu, oli bin stat long sem yia ia blong wokem plante bigtaon long Not, wan bigtaon we oli wokem long wan defren fasin we oli singaotem Lihae, we i stap long Not kolosap long ol boda blong so blong solwota.

16 Mo olsem ia nao nambatwante yia i bin finis.

17 Mo long ol sakes ia ol pipol blong Nifae oli stap long stat blong nambatwante mo wan yia blong ol rul blong ol jaj ova long ol pipol blong Nifae.

18 Mo oli bin kam antap tumas, mo oli kam rij tumas; yes, mo oli kam plante mo oli kam strong long graon.

19 Mo olsem ia nao yumi luk we long ol wok blong Lod i gat sore mo oli stret, blong hem i mekem ol toktok blong hem oli hapen long ol pikinini blong ol man; yes, yumi save luk se ol toktok blong hem oli hapen, iven long taem naoia, we hem i talem long Lihae, mo talem:

20 “Yu mo ol pikinini blong yu, yufala i kasem blesing; mo bae oli kasem blesing, mo folem hamas bae oli obei ol komanmen blong mi, bae oli kam antap long graon. Be tingbaot, folem hamas we bae oli no obei ol komanmen blong

mi, bae oli “katemaot olgeta long fes blong Lod.”

21 Mo yumi luk we ol promes ia, Lod i pruvum se oli tru, long ol pipol blong Nifae; from we ol kros mo ol rao blong olgeta nao, yes, ol fasin blong olgeta blong kilim man i ded, mo ol fasin blong olgeta blong stil long taem blong faet, ol fasin blong olgeta blong wosipim aedol, ol fasin blong olgeta blong stap slip olbaot wetem ol man mo wetem ol woman, mo ol rabis fasin blong olgeta, we i bin stap long medel blong olgeta, we i mekem ol wo oli kam long olgeta mo i mekem we oli prapa lus evriwan.

22 Mo olgeta we oli bin fetful blong stap obei ol komanmen blong Lod, Lod i mekem olgeta oli kam fri long evri taem, mo long narasaed ol taosen long ol nogud brata blong olgeta, Lod i bin mekem olgeta oli stap long fasin blong slef, o oli ded tru long naef blong faet, o oli kam slak from we oli lusum bilif, mo oli miks wetem Ol Man blong Leman.

23 Be luk i neva bin gat wan taem we i gat “moa glad long medel blong ol pipol blong Nifae, stat long ol dei blong Nifae, we i bitim glad ia long ol dei blong Moronae, yes, go kasem taem ia, long nambatwante mo wan yia blong rul blong ol jaj.

24 Mo i bin hapen se, taem we nambatwante mo tu yia blong rul blong ol jaj, hem tu, i finis wetem

pis; yes, mo tu, nambatwante mo tri ia.

25 Mo i bin hapen se, long stat blong nambatwante mo fo yia blong rul blong ol jaj, bae i gat pis nomo long medel blong ol pipol blong Nifae sapos i no bin gat wan “rao we i hapen long medel blong olgeta long saed blong graon blong Lihae, mo graon blong Morianton, we i joenem ol boda blong graon blong Lihae; tufala tugeta i stap kolosap long so blong solwota.

26 From luk, ol pipol we i holem graon blong Morianton, oli bin klemem wan pis graon blong Lihae; from hemia, i bin gat wan strong rao bitwin olgeta, inaf blong mekem se ol pipol blong Morianton oli tekem ol tul blong faet blong go agensem ol brata blong olgeta, mo oli tingting strong blong kilimded olgeta wetem naef blong faet.

27 Be luk, ol pipol we oli holem graon blong Lihae, oli ronwe i go long kamp blong Moronae, mo oli askem hem blong helpem olgeta; from luk oli no rong.

28 Mo i bin hapen se taem we ol pipol blong Morianton, we wan man we nem blong hem i Morianton i lidim olgeta, oli faenemaot se ol pipol blong Lihae oli ronwe i go long kamp blong Moronae, oli fraet tumas se ami blong Moronae bae i kam long olgeta mo prapa spolem gud olgeta.

29 From hemia, Morianton i

putum long tingting blong olgeta blong oli mas ronwe i go long graon we i stap long Not we i gat ol bigfala wota long hem, mo tekem graon we i stap long Not.

30 Mo luk, plan ia blong olgeta bae oli mekem i hapen, (we bae i wan nogud samting) be luk, from we Morianton i wan man we i gat plante filing, nao hem i kros long wan long olgeta haosgel blong hem, mo hem i atakem mo kilim hem plante.

31 Mo i bin hapen se, woman ia i ronwe, mo i go long kamp blong Moronae, mo hem i talemaot long Moronae evri samting long saed blong samting ia, mo tu, long saed blong ol tingting blong olgeta blong ronwe i go long graon blong Not.

32 Nao luk, ol pipol we oli bin stap long graon blong Plante, o long narafala toktok Moronae, i fraet se bae oli folem ol toktok blong Morianton mo kam wan wetem ol man blong hem, mo olsem ia nao bae hem i tekem ol pat blong graon ia, we bae i kam wan fandesen blong ol samting we oli nogud tumas we bae i hapen long medel blong ol pipol blong Nifae, yes, we ol samting ia bae oli kam blong prapa spolem gud fasin blong "fridom blong olgeta.

33 From hemia, Moronae i sendem wan ami, wetem kamp blong olgeta, blong go fastaem long ol man blong Morianton, blong stopem olgeta blong oli no go long graon blong Not.

34 Mo i bin hapen se, oli no go bitim olgeta kasem taem we oli kam long ol boda blong graon "Emti; mo long ples ia oli kasem olgeta, long smolfala graon we i go long saed blong solwota i go long graon blong Not, yes, long saed blong solwota, long Wes mo long Is.

35 Mo i bin hapen se ami we Moronae i sendem, we wan man we nem blong hem i Tiankum i lidim, oli mitim ol pipol blong Morianton; mo ol pipol blong Morianton oli stronghed tumas, (from we Morianton i bin tijim olgeta wetem ol fasin nogud blong hem mo ol swit toktok blong hem) mekem se wan faet i stat bitwin olgeta, long faet ia Tiankum i kilimded Morianton mo i winim ami blong hem, mo i tekem olgeta oli kam ol prise-na, mo oli gobak long kamp blong Moronae. Mo olsem ia nao twante mo fo yia blong rul blong ol jaj ova long ol pipol blong Nifae i bin finis.

36 Mo olsem ia nao ol pipol blong Morianton oli bin kambak. Mo afta we oli mekem kave-nan blong olgeta blong kipim pis, oli putumbak olgeta long graon blong Morianton, mo wan sere-moni blong oli kam wan i hapen bitwin olgeta mo ol pipol blong Lihae; mo tu, oli putumbak ol pipol blong Lihae long ol graon blong olgeta.

37 Mo i bin hapen se, long sem yia ia pis i stap bakegen long

ol pipol blong Nifae, Nifaeaha, nambatu jif jaj, i ded, afta we hem i bin tekem jea blong jajmen wetem wan wokbaot we i stret gud evriwan long fored blong God.

38 Be, hem i no letem Alma blong holem ol histri mo ol samting ia we Alma mo ol papa blong hem oli bin tekem olsem samting we i tabu tumas; from hemia, Alma i givim olgeta long boe blong hem Hileman.

39 Luk, i bin hapen se voes blong ol pipol i jusum boe blong Nifaeaha blong tekem jea blong jajmen, long ples blong papa blong hem; yes, voes blong ol pipol i jusum hem blong kam jif jaj mo gavna ova long ol pipol, wetem wan strong promes mo tabu odinens blong jaj long stret mo gud fasin, mo blong kipim pis mo fridom blong ol pipol, mo blong letem long olgeta ol tabu raet blong wosipim Lod, God blong olgeta, yes, blong sapotem mo holemtaet stamba tingting blong God long ol dei blong hem, mo tekem ol nogud man oli go long jastis folem nogud fasin blong olgeta.

40 Nao luk, nem blong hem i Pahoran. Mo Pahoran i tekem jea blong papa blong hem, mo hem i statem rul blong hem long en blong twante mo fo yia, ova long ol pipol blong Nifae.

8 Mo tu, Moronae i sendem ol oda long hem se hem i mas holemtaet ol prisena we oli foldaon long ol han blong hem; from we Ol Man blong Lemana oli bin tekem plante prisena, nao hem i mas holemtaet ol prisena blong Ol Man blong Lemana olsem wan praes blong olgeta we Ol Man blong Lemana oli bin tekem olgeta.

9 Mo tu, hem i sendem ol oda long hem blong hem i mas mekem graon Plante i kam strong, mo mekem strong "smolfala graon we i go long graon long Not, blong Ol Man blong Lemana oli no tekem ples ia mo save gat paoa blong atakem olgeta long evri saed.

10 Mo Moronae i sendem long hem tu, hem i wantem se hem i fetful blong holemtaet pat blong

graon ia, mo se hem i lukaotem evri janis blong atakem Ol Man blong Lemana long pat blong graon ia, wetem evri paoa we hem i gat, blong sapos i gat janis hem i save tekembak bakegen, wetem trik o wetem ol narafala fasin, ol bigtaon ia we oli bin tekemaot long ol han blong olgeta; mo tu, se bae hem i mekem ol bigtaon raonabaot we Ol Man blong Lemana oli no bin tekem olgeta, blong oli kam strong mo gat paoa.

11 Mo tu, hem i bin talem long hem, bae mi kam long yu, be luk, Ol Man blong Lemana oli stap atakem mifala long ol boda blong graon kolosap long solwota blong Wes; mo luk, mi go agensem olgeta, from hemia, mi no save kam long yu.

12 Nao, king (Amoron) i bin aot long graon blong Sarahemla mo hem i talemaot long kwina long saed blong ded blong brata blong hem, mo hem i tekem wan bigfala namba blong ol man oli kam tugeta, mo oli maj i go agensem Ol Man blong Nifae long ol boda kolosap long solwota blong Wes.

13 Mo olsem ia nao hem i traem blong atakem Ol Man blong Nifae, mo blong tekemaot wan pat blong ol ami blong olgeta i go long pat blong graon ia, taem we hem i givim oda long olgeta we hem i livim i stap long ol bigtaon we hem i bin tekem, blong oli mas atakem Ol Man blong Nifae tu long ol boda kolosap long solwota blong Is, mo blong oli mas tekem ol graon blong olgeta wetem evri

paoa we oli gat, folem paoa blong ol ami blong olgeta.

14 Mo olsem ia nao Ol Man blong Nifae oli stap long ol denja laef long en blong twante mo sikis yia blong rul blong ol jaj ova long ol pipol blong Nifae.

15 Be luk, i bin hapen long twante mo seven yia blong rul blong ol jaj, we Tiankum, folem oda blong Moronae—we i bin stanemap ol ami blong protektem ol Saot mo Wes boda blong graon, mo i statem maj blong hem blong go long graon Plante, blong hem i save helpem Tiankum wetem ol man blong hem blong tekem bakegen ol bigtaon we oli bin lusum—

16 Mo i bin hapen se Tiankum i kasem ol oda blong mekem wan atak long bigtaon blong Myulek, mo tekem bakegen sapos i save hapen.

17 Mo i bin hapen se Tiankum i mekem ol wok blong rere blong mekem wan atak long bigtaon blong Myulek, mo maj i go wetem ami blong hem agensem Ol Man blong Lemana; be hem i luk se i no posibel blong hem i save winim olgeta, taem we oli stap biae long ol strong wol blong olgeta; from hemia, hem i lego ol plan blong hem mo hem i gobak bakegen long bigtaon blong Plante, blong wet long Moronae blong kam, blong hem i save kasem paoa long ami blong hem.

18 Mo i bin hapen se Moronae i kam wetem ami blong hem long graon blong Plante, long en blong twante mo seven yia blong

rul blong ol jaj ova long ol pipol blong Nifae.

19 Mo long stat blong twante mo eit yia, Moronae mo Tiankum mo plante long ol jif kapten oli holem wan kaonsel blong faet—wanem oli mas mekem blong mekem Ol Man blong Leman oli kamaot agensem olgeta blong faet; o blong oli save, long sam wei, trikim olgeta blong kamaot long ol ples blong ol strong sapot blong olgeta, blong oli save win ova long olgeta mo tekem bakegen bigtaon blong Myulek.

20 Mo i bin hapen se oli sendem ol embasi long ol ami blong Ol Man blong Leman, ol ami ia we oli protektem bigtaon blong Myulek, long lida blong olgeta, we nem blong hem i Jakob; oli wantem se hem i kamaot wetem ol ami blong hem blong mitim olgeta long ol flat ples bitwin tufala bigtaon. Be luk, Jakob, we hem i wan Man blong Soram, i no wantem blong kamaot wetem ol ami blong hem blong mitim olgeta long ol flat ples.

21 Mo i bin hapen se Moronae, i no gat hop blong mitim olgeta long wan ples we ol ami blong tugeta saed, i save gat sem janis blong faet, from hemia, hem i mekem wan narafala plan blong hem i save trikim Ol Man blong Leman blong kamaot long ol ples blong strong sapot blong olgeta.

22 From hemia, hem i mekem se Tiankum i mas tekem wan smol namba blong ol man mo maj i go daon kolosap long so blong

solwota; mo Moronae mo ami blong hem, long naet, oli maj i go long waelples, long Wes blong bigtaon Myulek; mo olsem ia nao, long nekis dei, taem we ol gadman blong Ol Man blong Leman oli faenem Tiankum, oli ron mo talemaot long Jakob, lida blong olgeta.

23 Mo i bin hapen se, ol ami blong Ol Man blong Leman oli maj i go agensem Tiankum, wetem tingting se from ol namba blong olgeta bae oli winim Tiankum from smol namba blong hem. Mo taem we Tiankum i luk ol ami blong Ol Man blong Leman oli stap kamaot agensem hem, hem i stat blong tanem raon blong go daon kolosap long so blong solwota long Not.

24 Mo i bin hapen se taem we Ol Man blong Leman oli luk se hem i stat blong ronwe, oli harem gud mo oli stat blong ronem olgeta wetem fulap paoa. Mo taem we, olsem ia nao, Tiankum i stap lidim Ol Man blong Leman we oli stap ronem olgeta blong nating nomo, oli go longwe, luk, Moronae i givim oda se wan pat blong ami blong hem we i stap wetem hem bae oli mas maj i go insaed long bigtaon mo tekem bigtaon ia.

25 Mo olsem ia nao oli bin mekem, mo oli kilimded evriwan long olgeta we oli stap blong protektem bigtaon ia, yes, olgeta evriwan we oli no wantem blong lego ol tul blong faet blong olgeta.

26 Mo olsem ia nao Moronae

i tekem bigtaon Myulek wetem wan pat blong ami blong hem, taem we hem i maj wetem ami blong hem we i stap go blong mitim Ol Man blong Leman taem we bae oli stop blong ronem Tiankum mo oli kambak bakegen.

27 Mo i bin hapen se Ol Man blong Leman oli ronem Tiankum kasem taem we oli kam kolosap long bigtaon Plante, mo afta, oli mitim Lihae mo wan smol ami, we oli stap blong protektem bigtaon Plante.

28 Mo nao luk, taem we ol jif kapten blong Ol Man blong Leman oli luk Lihae wetem ami blong hem we oli stap kam agensem olgeta, oli ronwe wetem tingting we i fasfas, oli fraet se maet oli no save kasem bigtaon Myulek bifo Lihae i save winim olgeta; from oli taed from maj blong olgeta, mo ol man blong Lihae oli gat ful paoa i stap.

29 Nao Ol Man blong Leman oli no bin save se Moronae i stap biae long olgeta wetem ami blong hem; mo oli fraet nomo long Lihae mo ol man blong hem.

30 Nao Lihae i no bin wantem blong winim olgeta kasem taem we bae oli mitim Moronae mo ami blong hem.

31 Mo i bin hapen se bifo Ol Man blong Leman oli tanem raon i gobak, Ol Man blong Nifae oli raonem olgeta, ol man blong Moronae long wan saed, mo ol man blong Lihae long nara saed, olgeta evriwan ia oli fres mo oli

fulap wetem paoa; be Ol Man blong Leman oli taed from longfala maj blong olgeta.

32 Mo Moronae i givim oda long ol man blong hem se oli mas atakem olgeta kasem taem we oli putumdaon ol tul blong faet blong olgeta.

33 Mo i bin hapen se Jakob, from we hem i bin lida blong olgeta, hem i wan "Man blong Soram tu, mo from we hem i gat wan spirit blong no save lusum faet, hem i lidim Ol Man blong Leman i go long faet wetem kros we i tumas agensem Moronae.

34 From we Moronae i stap long rod we Ol Man blong Leman oli maj folem, nao Jakob i gat strong tingting blong kilimded olgeta, mo hem i katem rod blong hem blong go long bigtaon blong Myulek. Be luk, Moronae mo ol man blong hem oli moa strong; from hemia, oli no givim janis long fored blong Ol Man blong Leman.

35 Mo i bin hapen se oli faet, long tufala saed tugeta, wetem kros we i tumas; mo i gat plante we oli kilimded olgeta long tufala saed tugeta; yes, mo Moronae i kasem kil, mo Jakob, oli kilim hem i ded.

36 Mo Lihae i atakem olgeta long biae blong olgeta wetem plante kros wetem ol strong man blong hem, mekem se Ol Man blong Leman we oli stap biae oli putumdaon ol tul blong faet blong olgeta; mo ol narafala long olgeta, we tingting i fasfas tumas,

oli no save se weaples blong go o weaples blong faet.

37 Nao Moronae i luk we tingting blong olgeta i fasfas, nao i talem long olgeta: “Sapos yufala i karem ol tul blong faet blong yufala i kam mo givim long mifala, luk bae mifala i stop blong mekem blad blong yufala i ron.”

38 Mo i bin hapen se taem we Ol Man blong Leman oli harem ol toktok ia, ol jif kapten blong olgeta, olgeta we oli no kilimded olgeta, oli kam fored mo oli sakem ol tul blong faet blong olgeta daon long ol leg blong Moronae, mo tu, oli givim oda long ol man blong olgeta se oli mas mekem semmak.

39 Be luk, i bin gat plante we oli no wantem; mo olgeta ia we oli no wantem putumdaon ol tul blong faet blong olgeta, oli tekem olgeta mo fasem olgeta, mo oli karemaot ol tul blong faet blong olgeta long olgeta, mo oli fosem olgeta blong maj wetem ol brata blong olgeta i go kasem graon Plante.

40 Mo nao namba blong ol prisena we oli tekem olgeta i bitim namba blong olgeta we oli bin kilimded olgeta, yes, i bitim olgeta we oli kilimded olgeta long tufala saed tugeta.

8 Be mi no wantem letem olgeta blong bae oli brekem kavenan ia we oli bin mekem, from mi ting se God bae i mekem mifala i kam strong, inaf blong mekem se mifala i no mas safu moa, from we oli holem strong promes we oli bin mekem.

9 Be luk, hemia wan samting we yumi save gat bigfala glad long hem. From luk, long twante mo sikis yia, mi, Hileman, mi maj long fored blong ol tu taosen yang man ia i go long bigtaon blong Judia, blong helpem Antipas, man ia we yu bin jusum hem

olsem wan lida ova long ol pipol long pat blong graon.

10 Mo mi joenem ol tu taosen boe blong mi, (from we oli inaf blong singaotem olgeta ol boe blong mi) blong go long ami blong Antipas, long paoa ia Antipas i bin glad tumas long hem; from luk, Ol Man blong Leman i bin katem namba blong ami blong hem i go daon, from ol ami blong olgeta oli kilimded wan big namba blong ol man blong yumi, we i mekem se mifala i mas krae sore.

11 Be, yumi save harem gud long poen ia, se oli bin ded from stamba tingting blong kantri blong olgeta mo blong God blong olgeta, yes, mo oli “glad.

12 Mo Ol Man blong Leman oli bin holemtaet plante prisena, olgeta ia evriwan oli ol jif kapten, from we oli no bin letem eni narafala man blong laef. Mo mifala i ting se oli stap naoia long taem ia long graon blong Nifae; hemia i olsem sapos oli no kilimded olgeta.

13 Mo nao hemia ol bigtaon we Ol Man blong Leman oli bin tekem folem fasin blong mekem blad blong plante long ol strong man blong yumi i ron:

14 Graon blong Mantae, o bigtaon blong Mantae, mo bigtaon blong Siesrom, mo bigtaon blong Kumena, mo bigtaon blong Antipara.

15 Mo hemia ol bigtaon we oli bin tekem taem we mi kasem bigtaon blong Judia; mo mi

faenem Antipas mo ol man blong hem oli wok wetem paoa blong olgeta blong mekem bigtaon ia i kam strong.

16 Yes, mo oli taed long bodi tugeta, mo tu, long saed blong spirit, from we oli bin faet strong long dei mo oli bin wok long naet blong holemtaet ol bigtaon blong olgeta; mo olsem ia nao oli safe long ol bigfala hadtaem blong evri kaen.

17 Mo nao oli tingting strong blong win long ples ia o blong ded; from hemia, yu save gat gudfala tingting se smol ami ia we mi tekem wetem mi, yes, olgeta boe ia blong mi, i givim olgeta bigfala hop mo plante glad.

18 Mo nao i bin hapen se taem we Ol Man blong Leman oli luk se Antipas i kasem wan bigfala paoa long ami blong hem, Amoron i fosem olgeta tru ol oda blong hem blong no kam agensem bigtaon blong Judia, o agensem mifala, blong faet.

19 Mo olsem ia nao Lod i bin givhan long mifala; from sapos oli kam agensem mifala long taem we mifala i no gat paoa nating, maet bae oli save smasem gud smol ami blong mifala; be olsem ia nao Lod i bin sevem mifala.

20 Amoron i givim oda long olgeta blong holemtaet ol bigtaon ia we oli bin tekem. Mo olsem ia nao twante mo sikis yia i bin en. Mo long stat blong twante mo seven yia mifala i mekem rere bigtaon blong mifala mo mifalawan blong lukaotem gud mifala.

21 Nao mifala i wantem se Ol Man blong Leman bae oli kam agensem mifala; from mifala i no wantem blong mekem wan atak agensem olgeta long ol ples blong olgeta we oli strong long hem.

22 Mo i bin hapen se mifala i kipim ol spae raonabaot, blong lukluk ol muv blong Ol Man blong Leman, blong mekem se bae oli no kam long mifala long naet o long dei blong mekem wan atak agensem ol narafala bigtaon blong yumi we oli stap long Not.

23 From mifala i save se insaed long olgeta bigtaon ia, oli no gat inaf paoa blong mitim olgeta; from hemia, mifala i wantem, sapos oli save pas kolosap long mifala, blong mifala i save atakem olgeta long biaen blong olgeta, mo olsem ia nao blong wokem olgeta long biaen long semtaem ol narafala man blong Nifae oli mitim olgeta long fored. Mifala i ting se mifala i save winim olgeta; be luk, mifala i harem nogud long wanem we mifala i wantem.

24 Olgeta i bin fraet blong pas kolosap long mifala wetem evri ami blong olgeta, o oli fraet blong mekem olsem wetem samfala nomo long ol ami blong olgeta, from we oli fraet se oli no strong inaf mo bae oli foldaon.

25 O oli no wantem blong maj i go daon agensem bigtaon blong Sarahemla; o oli no wantem blong krosem stamba blong Saedon, ova long bigtaon blong Nifaeha.

26 Mo olsem ia nao, wetem ol fos blong olgeta, oli bin tingting

strong blong holemtaet ol bigtaon ia we oli bin tekem.

27 Mo nao i bin hapen long seken manis blong yia ia, ol papa blong ol tu taosen boe blong mi oli karem plante kaekae i kam long mifala.

28 Mo tu, oli sendem tu taosen man long Sarahemla oli kam long mifala. Mo olsem ia nao mitufala i bin rere wetem ten taosen man, mo ol kaekae blong olgeta, mo tu, blong ol waef blong olgeta mo blong ol pikinini blong olgeta.

29 Mo Ol Man blong Leman, olsem ia nao, taem oli luk ol ami blong mifala i kam bigwan evri dei, mo ol kaekae oli stap kam blong sapatem mifala, oli stat blong fraet, mo oli stat blong hariap, sapos hem i save hapen blong putum wan en blong wok blong mifala blong kasem ol kaekae mo paoa.

30 Nao taem we mitufala i luk se Ol Man blong Leman oli stat blong harem nogud long fasin ia, mitufala i wantem blong mekem wan plan we bae i wokaot long olgeta; from hemia, Antipas i givim oda se mi mas maj i go wetem ol smol boe blong mi i go long wan bigtaon we i stap kolosap, olsem se mifala i stap karem ol kaekae i go long wan bigtaon kolosap.

31 Mo blong mifala i maj kolosap long bigtaon blong Antipara, olsem se mifala i stap go long bigtaon we i bitim bigtaon ia, long ol boda kolosap long so blong solwota.

32 Mo i bin hapen se mifala i maj i go, olsem se mifala i karem ol kaekae blong mifala, blong go long bigtaon ia.

33 Mo i bin hapen se Antipas i maj i go wetem wan pat long ami blong hem, mo livim ol narafala we oli stap blong lukaot gud long bigtaon. Be hem i no bin maj i go kasem taem we mi mi go wetem smol ami blong mi, mo kam kolosap long bigtaon Antipara.

34 Mo nao, long bigtaon Antipara, ami blong Ol Man blong Leman we i strong olgeta i bin stap; yes, namba blong ami ia i bitim ol narawan.

35 Mo i bin hapen se taem we ol spae blong olgeta oli talemaot long olgeta, oli kam wetem ami blong olgeta mo maj agensem mifala.

36 Mo i bin hapen se mifala i ronwe long olgeta i go long Not. Mo olsem ia nao mifala i bin lidim i gowe ami blong Ol Man blong Leman we i strong olgeta;

37 Yes, i go longwe lelebet, inaf blong mekem se taem oli luk ami blong Antipas oli stap folem olgeta biae wetem paoa blong olgeta, oli no tanem i go long raet o long lef, be oli gohed wetem maj blong olgeta long wan stret rod folem mifala; mo, olsem we mifala i tingting long hem, hem i tingting blong olgeta blong kilinded mifala bifo Antipas bae i kasem olgeta, mo hemia blong mekem se bae ol man blong mifala i no raonem olgeta.

38 Mo nao Antipas, i bin luk

denja blong mifala, hem i spidim maj blong ami blong hem. Be luk, hem i naet; from hemia, oli no kasem mifala, o Antipas i no bin kasem olgeta; from hemia, mifala i kam blong pasem naet.

39 Mo i bin hapen se bifo deilaet i brok, luk, Ol Man blong Leman i stap ronem mifala. Nao mifala i no strong inaf blong faet agensem olgeta; yes, mi no save letem se ol smol boe blong mi oli foldaon long ol han blong olgeta, from hemia, mifala i gohed long maj blong mifala, mo mifala i tekem maj blong mifala i go long waelples.

40 Nao oli bin fraet blong tanem i go long raet o long lef, from oli fraet se bae mifala raonem olgeta; mo mi tu, mi no wantem blong tanem mi go long raet o lef from mi fraet se bae oli kasem mi, mo mifala i no save stanap agensem olgeta, be bae oli kilimded mifala, mo bae oli save ronwe; mo olsem ia nao mifala i ronwe long ful dei ia i go long waelples, go kasem taem we hem i tudak.

41 Mo i bin hapen se bakegen, taem we laet blong moning i kam, mifala i luk Ol Man blong Leman i stap kam long mifala, mo mifala i ronwe long olgeta.

42 Be i bin hapen se oli no ronem mifala longwe bifo oli stop; mo hem i long moning blong nambatri dei blong nambaseven manis.

43 Mo nao, sapos Antipas i bin kasem olgeta mifala i no save, be

mi talem long ol man blong mi: 'Luk, yumi i no save gud be maet oli stop long stamba tingting se bae yumi kam agensem olgeta, blong maet oli save kasem yumi long trik blong olgeta.

44 From hemia, wanem nao yufala i talem, ol boe blong mi, ?bae yufala i go agensem olgeta blong faet?'

45 Mo nao mi talem long yu, brata blong mi Moronae we mi lavem tumas, se neva mi luk "fasin blong gat strong paoa long tingting we i bigwan olsem, no, i no gat long medel blong Ol Man blong Nifae.

46 From olsem we mi bin singaotem olgeta ol boe blong mi (from olgeta evriwan oli yang tumas) olsem ia oli bin talem long mi: 'Papa, luk God blong yumi i stap wetem yumi, mo hem bae i no letem se bae yumi foldaon; ale, yumi go; bae yumi no kilimded ol brata blong yumi sapos oli livim yumi nomo i stap; from hemia, letem mifala i go, blong mekem se oli no save winim ami blong Antipas.'

47 Nao oli neva bin faet, be oli no fraet long ded; mo oli tingting moa long "fridom blong ol papa blong olgeta bitim laef blong olgeta; yes, ol^b mama blong olgeta oli bin tijim olgeta, se sapos oli no gat tu tingting, oli strong fulwan, nao God bae i severm olgeta.

48 Mo oli talemaot long mi ol toktok blong ol mama blong olgeta, oli talem: 'Mifala i no gat

47^a Alma 53:16–18.

^b Alma 57:21.

cs Mama.

tu tingting, mifala i save fulwan se ol mama blong mifala oli bin save.’

49 Mo i bin hapen se mi gobak wetem ol tu taosen blong mi agensem Ol Man blong Leman ia we oli bin ronem mifala. Mo nao luk, ol ami blong Antipas oli kasem olgeta, mo wan rabis faet i stat.

50 Ami blong Antipas i bin taed, from longfala maj blong olgeta long sotfala spes blong taem, kolosap bae oli foldaon long ol han blong Ol Man blong Leman; mo sapos mi no bin gobak wetem tu taosen blong mi, bae oli save kasem plan blong olgeta.

51 From we Antipas i bin ded wetem naef blong faet, mo plante long ol lida blong hem, from taed blong olgeta, folem spid blong maj blong olgeta—from hemia, ol man blong Antipas, from we oli gat tingting we i fassas from ded blong ol lida blong olgeta, oli bin stat blong ronwe long Ol Man blong Leman.

52 Mo i bin hapen se Ol Man blong Leman oli putum strong paoa long tingting blong olgeta, mo stat blong ronem olgeta; mo olsem ia nao Ol Man blong Leman oli stap ronem olgeta wetem bigfala paoa taem Hileman i kam long biae blong olgeta wetem tu taosen blong hem, mo stat blong kilimded olgeta bigwan, inaf blong mekem se ful ami blong Ol Man blong Leman i stop mo tanem raon agensem Hileman.

53 Nao taem we ol pipol blong

Antipas oli luk se Ol Man blong Leman oli tanem raon, oli mekem ol man blong olgeta oli kam tuge-ta mo oli kam bakegen long biae blong Ol Man blong Leman.

54 Mo nao i bin hapen se, mifala, ol pipol blong Nifae, ol pipol blong Antipas, mo mi wetem ol tu taosen blong mi, i raonem Ol Man blong Leman, mo mifala i kilimded olgeta; yes, inaf blong mekem se oli fosem olgeta blong givim aot ol tul blong faet blong olgeta mo tu olgeta bakegen olsem ol prisena blong faet.

55 Mo nao i bin hapen se taem we oli givim olgetawan long mifala, luk, mi bin kaontem ol yang man ia we oli bin faet wetem mi, from mi fraet se plante long olgeta oli kilimded olgeta.

56 Be luk, long bigfala glad blong mi, i “no gat wan sol blong olgeta we i bin foldaon long graon; yes, mo oli faet olsem se i wetem paoa blong God; yes, i neva bin gat ol man we oli save bifo we oli faet wetem paoa blong merikel; mo wetem strong paoa olsem, oli bin atakem Ol Man blong Leman, mekem se oli mekem Ol Man blong Leman oli fraet; mo from samting ia Ol Man blong Leman oli givim olgetawan bakegen olsem ol prisena blong faet.

57 Mo from we mifala i no bin gat ples blong ol prisena blong mifala, blong mifala i save gad long olgeta blong holemtaet olgeta from ol ami blong Ol Man

blong Leman, from hemia, mifala i sendem olgeta i go long graon blong Sarahemla, wetem wan pat long Ol Man blong Antipas we oli no bin kilimded olgeta wetem olgeta; mo ol narafala, mi tekem olgeta mo joenem olgeta wetem ol yang "Man blong Amon, we oli blong mi, mo mifala i bin tekem maj blong mifala i gobak long bigtaon blong Judia.

JAPTA 57

Hileman i talem storian blong olsem wanem oli tekem Antipara mo olsem wanem Ol Man blong Leman oli givap mo afta oli difendem Kumenae—Ol yang Man blong Amon blong hem oli faet strong; olgeta evriwan oli kasem kil, be i no gat wan we oli kilim i ded—Gid i ripotem ol fasin blong kilimded ol man mo ronwe blong ol prisena blong Ol Man blong Leman. Raon-abaot 63 B.K.B.

Mo nao i bin hapen se mi kasem wan leta long Amoron, we hem i king, leta ia i talem se sapos mi givim ol prisena ia blong wo we mifala i bin tekem, bae hem i givim bigtaon blong Antipara long mifala.

2 Be mi bin sendem wan leta long king, se mifala i sua se ol soldia blong mifala oli inaf blong tekem bigtaon Antipara wetem paoa blong mifala; mo blong givim ol prisena from bigtaon ia, bae mifala i ting se i no waes long mifala, mo se bae mifala i save

givim ol prisena nomo blong jenisim wetem Ol Man blong Nifae prisena.

3 Mo Amoron i no wantem tingting we mi givim long leta blong mi, from we hem i no wantem jenisim ol prisena; from hemia, mifala i stat blong mekem rere blong go faet agensem bigtaon Antipara.

4 Be ol pipol blong Antipara oli bin aot long bigtaon ia, mo oli ronwe i go long ol narafala bigtaon blong olgeta, we oli holemtaet, blong mekem olgeta bigtaon ia oli stap strong; mo olsem ia nao bigtaon blong Antipara i foldaon long han blong mifala.

5 Mo olsem ia nao twante mo eit yia blong rul blong ol jaj i bin en.

6 Mo i bin hapen se long stat blong twante mo naen yia, mifala i kasem wan saplae blong ol kaekae, mo tu, wan namba blong ademap long ami blong mifala, we i kamaot long graon blong Sarahemla, mo long graon raon-abaot, kasem namba blong sikis taosen man, hemia antap long siksti blong ol "boe blong Ol Man blong Amon we oli bin kam blong joenem ol brata blong olgeta, we i smol grup blong mi blong tu taosen. Mo nao luk, mifala i bin strong, yes, mo tu, mifala i gat plante kaekae i kam long mifala.

7 Mo i bin hapen se hem i tingting blong mifala blong mekem wan faet wetem ami we i stap blong lukaot gud long bigtaon Kumenae.

8 Mo nao luk, bae mi soem long yu se kwiktaem nomo mifala i mekem tingting blong mifala i kamtru; yes, wetem strong ami blong mifala, o wetem wan pat long ol strong ami blong mifala, mifala i bin raonem, long naet, bigtaon ia Kumenae, smol taem bifo oli rere blong kasem wan saplae blong ol kaekae.

9 Mo i bin hapen se mifala i kam raonabaot long bigtaon blong plante naet; be mifala i slip wetem ol naef blong faet blong mifala, mo mifala i putum ol gad blong mekem se Ol Man blong Leman oli no save kam agensem mifala long naet mo kilimded mifala, we oli bin traem plante taem; be hamas taem we oli bin traem, hemia blad blong olgeta i bin ron.

10 Sam taem afta ol kaekae blong olgeta i bin kam, mo oli rere blong kam insaed long bigtaon long naet. Mo mifala, long ples blong Ol Man blong Leman, mifala Ol Man blong Nifae; taswe, mifala i tekem olgeta mo ol kaekae blong olgeta.

11 Mo i nomata we Ol Man blong Leman oli bin katemaot sapot blong olgeta long fasin ia, oli wantem gohed blong holemtaet bigtaon yet; taswe, i gat nid se bae mifala i mas tekem ol kaekae ia mo sendem olgeta i go long Judia, mo long ol prisena blong mifala long graon blong Sarahemla.

12 Mo i bin hapen se i no gat plante dei i pas bifo Ol Man blong Leman oli stat blong lusum ol hop

blong win; taswe, oli lego bigtaon i kam long ol han blong mifala; mo olsem ia nao mifala i mekem ol plan blong mifala blong tekem bigtaon Kumenae oli kamtru.

13 Be i bin hapen se ol prisena blong mifala oli plante tumas we, nomata long bigfala namba blong mifala, mifala i nid blong givim wok long evri ami blong mifala blong holemtaet olgeta, o blong kilimded olgeta.

14 From luk, bigfala namba blong olgeta oli stap ronwe, mo oli yusum ol ston blong faet wetem, mo ol nalnal, o eni samting we oli save putum long ol han blong olgeta, inaf blong mekem se mifala i kilimded moa long tu taosen long olgeta, afta we oli bin sarena long mifala olsem ol prisena blong wo.

15 From hemia, i gat nid se mifala i mas kilimded olgeta, o gad long olgeta, wetem ol naef blong faet blong mifala long han blong mifala, go kasem graon blong Sarahemla; mo tu, ol kaekae blong mifala i nomo plante bitim hemia we inaf blong ol man blong mifala nomo, i nomata long hemia we mifala i bin tekem long Ol Man blong Leman.

16 Mo nao, long ol had situesen ia, i bin kam wan samting we i impoten tumas blong faenemaot wanem nao blong mekem wetem ol prisena ia blong wo; be, mifala i bin disaed blong sendem olgeta i go daon long graon blong Sarahemla; from hemia, mifala i jusum wan grup blong ol

man blong mifala, mo givim wok long olgeta blong tekem ol prisena blong mifala blong go daon long graon blong Sarahemla.

17 Be i bin hapen se long tumoro blong hem oli kambak. Mo nao luk, mifala i no askem olgeta long saed blong ol prisena; from luk, Ol Man blong Leman oli stap atakem mifala, mo oli bin kambak long stret taem blong sevem mifala blong mifala i no foldaon i go long ol han blong olgeta. From luk, Amoron i bin sendem, blong sapotem olgeta, wan niu saplae blong ol kaekae, mo tu, wan bigfala namba blong ol man blong ami.

18 Mo i bin hapen se ol man ia we mifala i bin sendem wetem ol prisena oli bin kasem mifala long stret taem blong stopem olgeta, from se kolosap bae oli winim mifala.

19 Be luk, smol grup blong mi blong tu taosen mo siksti man oli bin faet strong tumas; yes, oli stanap strong agensem Ol Man blong Leman, mo oli kilimded olgeta evriwan ia we oli agensem olgeta.

20 Mo taem we kolosap ol narafala ami blong mifala oli stap rere blong ronwe long fored blong Ol Man blong Leman, luk, ol tu taosen mo siksti ia oli bin stanap strong mo oli no fraet nating.

21 Yes, mo oli bin obei mo folem evri toktok we i givim oda mo oli folem stret gud; yes, mo tu, i bin hapen long olgeta folem fet

blong olgeta; mo mi tingbaot ol toktok we oli bin talem long mi se ol “mama blong olgeta oli bin tijim olgeta.

22 Mo nao luk, olgeta ia, ol boe blong mi, mo ol man ia we mifala i bin jusum blong tekem ol prisena i go, hem i long olgeta ia nao we mifala i mas givim bigfala viktri ia long olgeta; from we hem i bin olgeta ia nao we oli winim Ol Man blong Leman; taswe, oli ronemaot Ol Man blong Leman oli go long bigtaon blong Mantae.

23 Mo mifala i holemtaet bigtaon blong mifala Kumena, mo oli no prapa spolem gud mifala wetem naef blong faet; be, mifala i lusum bigfala namba blong mifala.

24 Mo i bin hapen se afta we Ol Man blong Leman oli ronwe, mi givim ol oda kwiktaem se ol man blong mi we oli bin kasem kil bae oli mas tekemaot olgeta long medel blong ol ded bodi mo mi mekem se oli kavremap gud kil blong olgeta.

25 Mo i bin hapen se i gat tu hundred, aot long tu taosen mo siksti blong mi, we ae blong olgeta i dak from we oli lusum blad; be, folem gudfala fasin blong God, mo long bigfala sapraes blong mifala, mo tu, long glad blong ful ami blong mifala, i “no bin gat wan sol long olgeta we oli lus; yes, mo tu, i no gat wan sol long olgeta we oli no kasem plante kil.

26 Mo nao, fasin blong sevem blong olgeta i bin sapraesem ful ami blong mifala, yes, we oli no

ded long semtaem ia we i gat wan taosen long ol brata blong mifala we oli kilimded olgeta. Mo mifala i luksave tru se hemia i from merikel ^apaoa blong God, from ^bfet blong olgeta we i bigwan tumas long samting ia we ol mama blong olgeta i bin tijim olgeta blong bilif—se i gat wan God we i stret, mo eni man we i no gat tu tingting, God bae i sevem olgeta wetem bigfala paoa blong hem.

27 Nao hemia hem i bin fet blong olgeta we mi tokbaot; oli yang, mo ol tingting blong olgeta i stap strong, mo oli stap putum tras blong olgeta long God oltaem.

28 Mo i bin hapen se afta we mifala i lukaot gud long ol man blong mifala we oli bin kasem kil, mo mifala i berem ol dedman blong mifala, mo tu, ol dedman blong Ol Man blong Leman, we oli plante; luk, mifala i askem long Gid long saed blong ol prisena we oli stat blong go daon wetem olgeta long graon blong Sarahemla.

29 Nao Gid i bin jif kapten ova long grup we oli jusum hem blong gad long olgeta blong go daon long graon.

30 Mo nao, hemia i ol toktok we Gid i talem long mi: 'Luk, mifala i stat blong go daon long graon blong Sarahemla wetem ol prisena blong yumi. Mo i bin hapen se mifala i mitim ol spae blong ol ami blong yumi we ol lida oli sendem olgeta blong waj ova

long kamp blong Ol Man blong Leman.'

31 Mo oli singaot long mifala, oli talem—'Luk, ol ami blong Ol Man blong Leman oli stap maj i go long bigtaon blong Kumenae; mo luk, bae oli atakem olgeta, yes, mo bae oli prapa spolem gud ol pipol blong yumi.

32 Mo i bin hapen se ol prisena blong yumi oli harem ol singaot blong olgeta, we i mekem olgeta i leftemap tingting blong olgeta; mo oli stat blong girap blong atakem mifala.

33 Mo i bin hapen se from fasin blong olgeta blong atakem mifala, mifala i atakem olgeta wetem ol naef blong faet blong mifala. Mo i bin hapen se oli ron i kam long wan grup, oli ron stretem ol naef blong blong faet blong mifala, mo long taem ia mifala i bin kilimded bigfala namba blong olgeta, mo ol narawan oli kamaot long ol gadman mo oli ronwe long mifala.

34 Mo luk, taem we oli ronwe mo mifala i no save kasem olgeta, mifala i maj kwiktaem i go long bigtaon Kumenae; mo luk, mifala i kasem long stret taem blong mekem se mifala i save helpem ol brata blong mifala blong holemtaet gud bigtaon ia.

35 Mo luk, God i mekem yumi fri bakegen aot long ol han blong ol enemi blong yumi. Mo yumi presem nem blong God blong yumi; from luk hem nao i bin mekem yumi kam fri; yes, we

i bin mekem bigfala samting ia blong yumi.'

36 Nao i bin hapen se taem we mi, Hileman, mi harem ol toktok ia blong Gid, hat blong mi i fulap wetem glad we i bigwan tumas from gudfala fasin blong God blong sevem mifala, we i mekem se mifala evriwan i no save lus; yes, mo mi trastem se ol sol blong ol man we oli bin kilimded olgeta, oli "go insaed long kingdom blong God blong olgeta.

JAPTA 58

Hileman, Gid, mo Tiamna i tekem bigtaon blong Mantae tru long wan trik—Ol Man blong Leman oli kamaot—God i sevem ol boe blong Ol Man blong Amon long taem we oli stanap strong blong difendem fridom mo bilif blong olgeta. Raonabaot 63–62 B.K.B.

Mo luk, nao i bin hapen se nekis stamba tingting i blong tekem bigtaon blong Mantae; be luk, i no gat wan rod we mifala i save lidim olgeta aot long bigtaon wetem ol smol grup blong mifala. From luk, oli tingbaot hemia we mifala i bin mekem bifo; from hemia, mifala i no save "trikim olgeta blong oli aot long ol strong sapot blong olgeta.

2 Mo namba blong olgeta i moa bitim ami blong mifala, mekem se mifala i bin fraet blong go aot mo atakem olgeta long ol strong sapot blong olgeta.

3 Yes mo i bin gat nid se bae

mifala i mekem ol man blong mifala oli lukaotem gud ol pat blong graon we mifala i bin tekembak blong mifala; from hemia, i gat nid blong mifala i mas wet, blong mifala i save kasem moa paoa i kam long graon blong Sarahemla, mo tu, wan niu saplae blong ol kaekae.

4 Mo i bin hapen se olsem ia nao mi sendem wan mesenja i go long gavna blong graon blong mifala, blong letem hem i save long ol problem blong ol pipol blong mifala. Mo i bin hapen se mifala i wet blong kasem ol kaekae mo paoa we i kam long graon blong Sarahemla.

5 Be luk, samting ia i bin helpem mifala smol nomo; from we Ol Man blong Leman tu oli kasem bigfala paoa evri dei mo plante kaekae tu; mo ol problem blong mifala i bin olsem ia nao long taem ia.

6 Mo Ol Man blong Leman oli bin aot oli kam agensem mifala long ol defren taem, oli bin wantem blong prapa spolem gud mifala tru long ol trik; be mifala i no save kam blong faet agensem olgeta, from ol ples blong haed blong olgeta mo ol strong sapot blong olgeta.

7 Mo i bin hapen se mifala i wet tru long ol had situesen ia blong wan spes blong plante manis, go kasem taem we kolosap bae mifala i ded from we mifala i no gat kaekae.

8 Be i bin hapen se mifala i kasem

kaekae, we wan ami blong tu tao-sen man i karem i kam blong helpem mifala; mo hemia hem i help ia nomo we mifala i bin kasem, blong difendem mifala mo kantri blong mifala blong mekem se i no foldaon long ol han blong ol enemi blong mifala; yes, blong agensem wan enemi we oli fulap we man i no save kaontem.

9 Mo nao wanem we i mekem mifala i harem nogud, o se from wanem oli no bin sendem moa paoa long mifala, mifala i no save; from hemia, mifala i harem nogud, mo tu, mifala i fulap wetem fraet, se bae ol jajmen blong God oli kam agensem graon blong mifala long eni kaen wei, blong brekem daon mo prapa spolem gud mifala.

10 From hemia, mifala i kapsaetem tingting blong sol blong mifala long prea i go long God, blong hem i mekem mifala i strong mo tekemaot mifala long ol han blong ol enemi blong mifala, yes, mo tu, blong hem i givim paoa long mifala blong mekem se mifala i save holemtaet ol bigtaon blong mifala, mo ol graon blong mifala, mo ol samting blong mifala, blong sapotem ol pipol blong mifala.

11 Yes, mo i bin hapen se Lod, God blong yumi i soemaot long mifala se bae hem i tekemaot mifala; yes, inaf we i mekem se hem i toktok pis long sol blong mifala, mo hem i givim long mifala bigfala fet, mo i mekem mifala

blong bae mifala i hop se tru long hem bae hem i sevem mifala.

12 Mo mifala i tekem fasin blong no save fraet wetem smol fos blong mifala we mifala i bin kasem, mo gat strong tingting blong winim ol enemi blong mifala, mo blong ^aholemtaet ol graon blong mifala, mo ol samting blong mifala, mo ol waef blong mifala, mo ol pikinini blong mifala, mo stamba tingting blong ^bfridom blong mifala.

13 Mo olsem ia nao mifala i bin go aot wetem evri paoa blong mifala agensem Ol Man blong Lemana, we oli stap long bigtaon blong Mantae; mo mifala i stanemap ol tenet blong mifala kolosap long saed blong waelples, we i kolosap long bigtaon.

14 Mo i bin hapen se long tumoro blong hem, se taem we Ol Man blong Lemana bae oli luk se mifala i stap long ol boda kolosap long waelples we i kolosap long bigtaon, bae oli sendem ol spae blong olgeta raonabaot mifala blong oli save faenemaot namba mo paoa blong ami blong mifala.

15 Mo i bin hapen se taem we oli luk se mifala i no strong, folem ol namba blong mifala, mo from oli bin fraet se bae mifala i stopem olgeta long sapot blong olgeta sapos oli no kam blong faet agensem mifala mo kilinded mifala, mo tu, oli ting se oli save prapa spolem gud mifala isi nomo wetem plante ami blong olgeta, from hemia, oli stat blong mekem

rere blong kamaot agensem mifala blong faet.

16 Mo taem we mifala i luk se oli stap mekem rere blong kamaot agensem mifala, luk, mi mekem se Gid, wetem wan smol namba blong ol man, oli mas haedem olgeta long waelples, mo tu, se Tiamna mo wan smol namba blong ol man oli mas haedem olgeta tu long waelples.

17 Nao Gid mo ol man blong hem oli bin stap long raet saed mo ol narafala oli bin stap long lef; mo taem we oli haedem olgeta olsem ia, luk, mi bin stap nomo, wetem ol narafala ami blong mi, long sem ples ia we mifala i stanemap ol tenet blong mifala fastaem blong mekem rere long taem we bae Ol Man blong Leman oli kamaot blong faet.

18 Mo i bin hapen se Ol Man blong Leman oli bin kamaot wetem plante ami blong olgeta agensem mifala. Mo taem we oli kam mo oli kolosap blong atakem mifala wetem naef blong faet, mi mekem se ol man blong mi, olgeta we oli stap wetem mi, oli mas ronwe i go long waelples.

19 Mo i bin hapen se Ol Man blong Leman oli folem mifala wetem bigfala spid, from we oli wantem tumas blong kasem mifala blong oli save kilimded mifala; from hemia, oli folem mifala i go long waelples; mo mifala i pas kolosap long medel blong Gid mo Tiamna, inaf blong se Ol Man blong Leman oli no faemaot olgeta.

20 Mo i bin hapen se taem we Ol Man blong Leman oli pas kolosap, o taem we ami i pas kolosap, Gid mo Tiamna oli girap long ol ples blong haed blong olgeta, mo oli blokem ol spae blong Ol Man blong Leman, blong mekem se bae oli no gobak long bigtaon.

21 Mo i bin hapen se taem we oli blokem olgeta, oli ron i go long bigtaon mo atakem ol gad we oli livim olgeta blong lukaot long bigtaon, inaf blong mekem se oli kilimded olgeta mo oli tekem bigtaon.

22 Nao hemia i bin hapen from we Ol Man blong Leman oli letem ful ami blong olgeta, be oli putum smol namba nomo blong ol gadman blong stap, mekem se Ol Man blong Nifae oli lidim olgeta oli go long waelples.

23 Mo i bin hapen se folem fasin olsem ia nao Gid mo Tiamna tufala i tekova long ol strong sapot blong olgeta. Mo i bin hapen se mifala i tekem rod blong mifala, afta we mifala i wokbaot plante long waelples i go long graon blong Sarahemla.

24 Mo taem we Ol Man blong Leman oli luk se oli stap maj i go long graon blong Sarahemla, oli bin fraet tumas, from oli fraet se i gat wan plan i stap blong lidim olgeta blong oli prapa lus olgeta; from hemia, oli stat blong ronwe i go long waelples bakegen, yes, mo tu, oli gobak long sem rod we oli bin kam long hem.

25 Mo luk, i bin naet mo oli stanemap ol tenet blong olgeta,

from we ol jif kapten blong Ol Man blong Lemana oli ting se Ol Man blong Nifae oli taed from maj blong olgeta; mo from we oli ting se oli bin lidim ful ami blong olgeta, from hemia nao, oli no bin tingting long saed blong bigtaon blong Mantae.

26 Nao i bin hapen se taem we i naet, mi mekem se ol man blong mi oli no mas slip, be oli mas maj i gogo long wan narafala rod i go long graon blong Mantae.

27 Mo from maj blong mifala i stap long naet taem, luk, long nekis dei mifala i stap long fored blong Ol Man blong Lemana, mekem se mifala i kasem bigtaon blong Mantae bifo olgeta.

28 Mo olsem ia nao i bin hapen se, folem trik ia, mifala i tekem bigtaon blong Mantae mo i no gat blad i ron.

29 Mo i bin hapen se taem we ol ami blong Ol Man blong Lemana oli kam kolosap long bigtaon, mo oli luk se mifala i rere blong mitim olgeta, oli sapraes tumas mo bigfala fraet i kasem olgeta, inaf blong mekem se oli ronwe i go long waelples.

30 Yes, mo i bin hapen se ol ami blong Ol Man blong Lemana oli ronwe, oli aot long evri pat ia blong graon. Be luk, oli bin tekem wetem olgeta plante woman mo pikinini aot long graon.

31 Mo ol bigtaon “ia we Ol Man blong Lemana oli bin tekem, evriwan long olgeta long taem ia mifala i holem olgeta; mo ol

Gidianhae, we i Gadianton lida, hem i talem strong long Lakonius mo Ol Man blong Nifae se oli mas sarenda mo givim ol graon blong olgeta—Lakonius i jusum Gidgidonae olsem jif kapten blong ol ami—Ol Man blong Nifae oli kam tugeta long Sarahemla mo Plante, blong difendem olgeta. Raonabaot 16-18 A.K.B.

Mo nao i bin hapen se long sikstin yia stat long taem we Kraes i kam, Lakonius, gavna blong graon, i bin kasem wan leta long lida mo gavna blong grup ia blong ol man blong stil; mo hemia i ol toktok we hem i raetem, i talem:

2 “Lakonius, we i hae olgeta mo jif gavna ova long graon, luk, mi raetem leta ia long yu, mo givim long yu bigfala pres tumas, from we yu stap strong, mo tu, from ol pipol blong yu oli stap strong, blong holemtaet wanem we yufala i ting se hem i raet mo fridom blong yufala; yes, yufala stanap gud, olsem se han blong wan god i sapotem yufala blong difendem fridom blong yufala, mo ol samting blong yufala, mo kantri blong yufala, o ol samting we yufala i singaotem olsem.

3 Mo i luk olsem wan sore long mi, Lakonius we yu hae olgeta, we bae yu krangeke tumas mo yu mekem samting blong nating blong ting se yu save stanap agensem plante man we i no fraet we oli stap andanit long oda blong mi, we naoia i stap, oli stanap

rere wetem ol tul blong faet blong olgeta, mo oli stap wet, we oli wantem tumas blong harem toktok ia—‘Go daon long Ol Man blong Nifae mo prapa kilimded gud olgeta.’

4 Mo mi, from mi save long fasin blong olgeta we spirit blong olgeta i no fraet nating, from we mi bin testem olgeta long fil blong faet, mo from mi save se oli no laekem yufala blong oltaem, from plante rong we yufala i bin mekem long olgeta, from hemia, sapos bae oli kam daon agensem yufala, bae oli visitim yufala mo prapa spolem gud yufala evriwan.

5 From hemia, mi raetem leta ia, mi klosem leta ia wetem han blong mi nomo, from mi stap tingbaot gudfala laef blong yufala, from yufala i stap strong long samting ia we yufala i bilivim se i raet, mo strong spirit blong yufala long fil blong faet.

6 From hemia, mi raet long yu, mi wantem se yu lego long hemia long ol pipol blong mi, ol bigtaon blong yu, ol graon blong yu, mo ol samting blong yu, sapos no, bae oli visitim yu wetem naef blong faet mo we bae panis i mas kam long yu.

7 O long ol narafala toktok, lego yufala i kam long mifala, mo joen wetem mifala mo kam blong save ol “sikret wok blong mifala, mo kam ol brata blong mifala blong mekem se yufala i save stap olsem mifala—i no ol slef blong mifala, be ol brata blong mifala mo

ol fren blong mifala blong save yusum ol samting blong mifala.

8 Mo luk, mi “promes long yu, sapos yufala i mekem samting ia, wetem wan strong promes, bae mi no prapa spolem gud yufala, be sapos yufala i no mekem samting ia, mi promes long yu wetem wan strong promes, se long nekis manis bae mi givim oda long ol ami blong mi se oli mas kam agensem yu, mo bae oli no stopem han blong olgeta mo bae oli no letem yufala i stap laef, be bae oli kilim yufala i ded, mo bae oli letem naef blong faet i foldaon long yufala kasem taem we bae yufala i nomo gat.

9 Mo luk, mi mi Gidianhae; mo mi mi gavna blong hemia, “sikret grup blong Gadianton; we grup mo ol wok blong hem mi save se oli ^bgud; mo oli blong ol ^ddei blong bifo mo oli bin pasem daon olgeta long mifala.

10 Mo mi raetem leta ia long yu, Lakonius, mo mi hop se bae yufala i lego ol graon blong yufala mo ol samting blong yufala, mo bae blad i no ron, blong mekem se ol pipol blong mi oli save tekembak ol raet mo gavman blong olgeta, we oli bin pulaot long yu from fasin nogud blong yu blong holembak long olgeta, ol raet blong olgeta blong gavman, mo sapos yufala i no mekem samting ia, bae mi pembak ol rong blong olgeta. Mi mi Gidianhae.”

11 Mo nao i bin hapen se taem Lakonius i kasem leta ia, hem i sapraes tumas, from Gidianhae i no fraet blong toktok, i askem strong se hem i mas tekem graon blong Ol Man blong Nifae, mo tu, i talem strong se hem i mas kilim ol pipol mo blong pembak ol rong blong olgeta we oli no kasem eni rong, be nomo se olgeta nomo oli bin “mekem rong long olgetawan, taem we oli pulaot oli gowe long ol nogud mo rabis stilman.

7 Mo i bin hapen se mifala i karem ol pipol blong mifala oli kam tugeta long wan ples kwik-taem olsem we mifala i save mekem, blong mekem se mifala i save karem olgeta oli kam tuge-ta long wan grup.

8 Be luk, graon i bin fulap wetem ol stilman mo wetem Ol Man blong Leman; mo i noma-ta long bigfala fasin blong prapa spolem gud samting we i bin stap ova long ol pipol blong mi, oli no sakem ol rabis fasin blong olgeta; from hemia, i gat blad mo big-fala fasin blong kilim man i ded we i stap kavremap ful fes blong graon, tugeta long pat blong Ol

Man blong Nifae, mo tu, Ol Man blong Leman; evri pipol long kantri ia oli go agens long gav-man, mo hemia i hapen raon long ful fes blong graon.

9 Mo nao, Ol Man blong Leman oli bin gat wan king, mo nem blong hem i Eron, mo hem i kam agensem mifala wetem wan ami blong foti mo fo taosen. Mo luk, mi bin stanap agensem hem wetem foti mo tu taosen. Mo i bin hapen se mi winim hem wetem ami blong mi, mekem se hem i ronwe long fored blong mi. Mo luk, evri samting ia i bin hapen, mo tri hundred mo teti yia i bin pas i go.

10 Mo i bin hapen se Ol Man blong Nifae oli stat blong sakem rabis fasin blong olgeta, mo oli stat blong krae olsem we profet Samuel i bin profesae; from luk i no gat eni man we i save holem-taet samting we i blong hem, from ol stilman, mo ol man blong stil, mo ol man blong kilim man i ded, mo wok blong mekem majik, mo fasin blong mekem nakaemas we i stap long graon.

11 Olsem ia nao i bin stat blong gat wan harem sore, mo wan kraekrae long ful graon from ol samting ia, mo i hapen moa long medel blong ol pipol blong Nifae.

12 Mo i bin hapen se taem we mi, Momon, mi luk kraekrae blong olgeta mo harem sore blong olgeta mo bigfala harem nogud blong olgeta long fored blong Lod, hat blong mi i stat blong glad insaed long mi, from mi save ol

sore mo fasin blong Lod blong save go tru long hadtaem wetem longfala tingting, from hemia, from mi bin ting se bae hem i gat sore long olgeta, blong mekem se bae oli kam bakegen, wan pipol we oli gat stret mo gud fasin.

13 Be luk hemia, glad blong mi i bin blong nating, from ^abigfala harem nogud blong olgeta i no mekem oli sakem sin, from gudfala fasin blong God; be hem i from bigfala harem nogud blong ^bolgeta we devel i stap kontrolem olgeta, from Lod bae i no letem olgeta oltaem blong oli filim ^dglad long sin.

14 Mo oli no kam long Jisas wetem ^ahat we i fulap wetem sore mo spirit blong wantem sakem sin, be oli ^btalem rabis toktok agensem God, mo oli wantem blong ded. Be, bae oli traehad wetem naef blong faet from laef blong olgeta.

15 Mo i bin hapen se harem nogud blong mi i kambak long mi bakegen, mo mi luk se ^adei blong ^bsore ^ai bin go i pasem olgeta, long saed blong laef ia mo blong spirit; from mi luk plante taosen long olgeta we oli katemdaon olgeta, taem we oli go agensem God blong olgeta long fes blong ol man, mo oli hivimap olgeta olsem sitsit blong animol long fes blong graon. Mo olsem ia nao tri

Kingdom i pas long wan i go long narawan tru long raet blong papa i go long boe, sikret plan, mo fasin blong kilim man i ded—Ima i bin luk Pikinini blong Stret mo Gud Fasin—Plante profet oli taltalemaot fasin blong sakem sin—Wan hadtaem blong kasem kaekae mo ol posen snek i prapa spolem gud ol pipol.

Mo nao mi, Moronae, i gohed wetem histri blong mi. From hemia, luk, i bin hapen se from ol "sikret grup blong Akis mo ol fren blong hem, luk, oli sakemaot kingdom blong Oma.

2 Be, Lod i bin gat sore long Oma, mo tu, long ol boe blong hem mo long ol gel blong hem we oli no lukaotem ded blong hem.

3 Mo Lod i bin wonem Oma long wan drim se hem i mas aot long graon; taswe, Oma i aot long graon wetem famli blong hem, mo i wokbaot blong plante dei, mo oli kam mo pas kolosap long hil blong "Sim, mo oli kam kolosap long ^bples we oli kilimded Ol Man blong Nifae, mo stat long ples ia i go long Is, mo oli kam long wan ples we oli singaotem Ablom, kolosap long so blong solwota, mo long ples ia hem i stanemap tenet blong hem, mo tu, ol boe blong hem mo ol gel blong hem, mo evriwan insaed long haos blong hem, be i no Jared mo famli blong hem.

4 Mo i bin hapen se oli anoentem

Jared blong kam king ova long ol pipol, tru long han blong fasin nogud; mo long Akis, hem i givim gel blong hem blong i kam waef blong hem.

5 Mo i bin hapen se Akis i wantem tekemaot laef blong papa blong woman blong hem; mo hem i askem long olgeta we hem i bin mekem olgeta ol promes tru long strong promes blong olgeta blong bifo, mo oli kasem hed blong papa blong woman blong hem, taem we hem i sidaon long bigfala jea blong hem, hem i stap givim janis long ol pipol blong hem blong toktok long fored blong hem.

6 From nogud mo sikret grup ia i bin go long plante ples tumas, nao hem i rabisim gud hat blong evri pipol; from hemia, oli kilimded Jared long bigfala jea blong hem, mo Akis i rul long ples blong hem.

7 Mo i bin hapen se Akis i stat blong stap jalus long boe blong hem, from hemia, hem i sarem hem long kalabus, mo hem i mekem se hem i kakae smol nomo o no kakae nating kasem taem we hem i safa gogo i ded.

8 Mo nao brata blong hem we i safa gogo i ded, (mo nem blong hem i Nimraha) i bin kros long papa blong hem from samting ia we papa blong hem i mekem long brata blong hem.

9 Mo i bin hapen se Nimraha i karem i kam tugeta, wan smol namba blong ol man, mo oli

ronwe oli aot long graon, mo i kam mo stap wetem Oma.

10 Mo i bin hapen se Akis i gat ol narafala boe, mo oli winim hat blong ol pipol, i nomata we oli promes strong long hem blong mekem evri kaen rabis fasin folem wanem we hem i wantem.

11 Nao ol pipol blong Akis oli wantem blong kasem mane, semmak olsem we Akis i bin wantem paoa; taswe, ol boe blong Akis oli givim mane long olgeta, tru long ol wei ia nao oli winim tingting blong bigfala pat blong pipol blong folem olgeta.

12 Mo i bin stat blong gat wan faet bitwin ol boe blong Akis mo Akis, we i gohed blong spes blong plante yia, yes, kasem taem we oli kilimded kolosap evri pipol blong kingdom, yes, we i evriwan, be teti sol nomo, wetem olgeta we oli bin ronwe wetem haos blong Oma.

13 Taswe, Oma i bin kambak bakegen long graon blong hem we i kam long ol papa.

14 Mo i bin hapen se Oma i stat blong kam olfala; be, long olfala yia blong hem, hem i gat Ima; mo hem i anoentem Ima blong kam king blong rul long ples blong hem.

15 Mo afta we hem i anoentem Ima blong kam king, hem i luk pis long graon blong spes blong tu yia, mo hem i ded, afta we hem i luk plante dei tumas, we oli fulap long bigfala harem nogud. Mo i bin hapen se Ima i rul long ples

blong hem, mo i folem ol wokbaot blong papa blong hem.

16 Mo Lod i stat bakegen blong tekemaot strong nogud tok we hem i sakem long graon, mo haos blong Ima i kam antap gud tumas andanit long rul blong Ima; mo long spes blong siksti mo tu yia oli kam strong tumas, inaf blong mekem se oli kam rij tumas—

17 Oli bin gat evri kaen frut, mo sid, mo ol kaliko blong silk, mo ol naes kaliko, mo gol, mo silva, mo ol gudgudfala samting;

18 Mo tu, evri kaen buluk, ol buluk, mo ol kao, mo ol sipsip, mo ol pig, mo ol nanigot, mo tu, plante narafala kaen animol we i gud blong yusum blong kaekae blong man.

19 Mo tu, oli bin gat ol ^ahos, mo ol dongki, mo i gat ol elefen, mo ol kurilom mo ol kumom; evriwan long olgeta ia, man i save yusum, mo moa speseli ol elefen, mo ol kurilom mo ol kumom.

20 Mo olsem ia nao Lod i bin kapsaetem ol blesing blong hem long graon ia, we i ^amoa gud bitim evri narafala graon; mo hem i givim oda se eni man we bae i stap long graon, bae i stap long hem wetem Lod, o bae Lod i ^bpra-pa spolem gud olgeta taem we oli kam raep long rabis fasin; from long olgeta olsem, Lod i talem: “Bae mi kapsaetem kros blong mi we i fulwan.”

21 Mo Ima i bin mekem jajmen long stret mo gud fasin long evri dei blong hem, mo hem i gat

plante boe mo gel; mo hem i gat Koriantum, mo hem i anoentem Koriantum blong rul long ples blong hem.

22 Mo afta we hem i bin anoentem Koriantum blong rul long ples blong hem, hem i bin laef fo yia, mo hem i luk pis long graon; yes, mo tu, hem i luk ^aPikinini blong Stret mo Gud Fasin, mo hem i bin glad mo gat glori long dei blong hem; mo hem i ded wetem pis.

23 Mo i bin hapen se Koriantum i bin wokbaot folem wokbaot blong papa blong hem, mo hem i bildim plante strong bigtaon, mo hem i givim samting we i gud long ol pipol blong hem long evri dei blong hem. Mo i bin hapen se hem i no gat eni pikinini kasem taem tu we hem i olfala tumas.

24 Mo i bin hapen se waef blong hem i ded, taem we hem i gat wan hundred mo tu yia. Mo i bin hapen se Koriantum i tekem olsem waef blong hem, long taem we hem i olfala, wan yangfala woman we i no mared yet, mo hem i gat ol boe mo ol gel; taswe, ia hem i bin laef kasem taem we hem i gat wan hundred mo foti mo tu yia.

25 Mo i bin hapen se hem i gat Kom, mo Kom i rul long ples blong hem; mo hem i rul foti mo naen yia, mo hem i gat Het; mo tu, hem i gat ol narafala boe mo ol gel.

26 Mo ol pipol oli go olbaot bakegen ova long ful fes blong graon, mo oli stat bakegen blong

gat wan bigfala fasin nogud we i bigwan tumas long fes blong graon, mo Het i stat blong folem ol sikret plan bakegen blong bifo, blong kilimded papa blong hem.

27 Mo i bin hapen se hem i aotem papa blong hem long bigfala jea blong hem, from hem i bin kilimded hem wetem naef blong faet blong hem; mo hem i rul long ples blong hem.

28 Mo ol profet oli bin kam long graon bakegen, oli taltalemaot fasin blong sakem sin long olgeta—se oli mas mekem rere rod blong Lod, o bae i gat wan strong nogud tok i kam long fes blong graon; yes, mo tu, bae i gat wan bigfala hadtaem blong kasem kaekae, tru long samting ia bae oli ded sapos oli no sakem sin.

29 Be ol pipol oli no bilivim ol toktok blong ol profet, be oli sake-maot olgeta; mo sam long olgeta, oli sakem olgeta long ol hol long graon mo oli livim olgeta oli ded. Mo i bin hapen se oli mekem evri samting folem komanmen blong king, Het.

30 Mo i bin hapen se i stat blong gat wan bigfala hadtaem blong kasem ol samting long graon, mo ol pipol we oli stap laef long graon ia oli stat blong ded kwiktaem tumas from hadtaem blong kasem ol samting, from i no gat eni ren long fes blong graon.

31 Mo ol posen snek oli kam tu long fes blong graon, mo oli posenem plante pipol. Mo i bin

hapen se grup blong ol animol blong olgeta i stat blong ronwe long fored blong ol posen snek, oli go long graon long Saot, we Ol Man blong Nifae oli singaotem “Sarahemla.

32 Mo i bin hapen se i bin gat plante long olgeta we oli ded long rod; be, i gat samfala we oli ronwe oli go long graon long Saot.

33 Mo i bin hapen se Lod i mekem ol “snek blong oli no mas ronem olgeta moa, be oli mas blokem rod, blong mekem se ol pipol oli no save pas, blong mekem se huia we i traem blong pas, maet bae oli foldaon tru long ol posen snek.

Doktrin mo Ol Kavenan, hem i ol tabu revelesen mo ol toktok we oli kam tru long insperesen, we oli putum i kam tugeta, mo Lod i givim blong stanemap mo putum rul blong kingdom blong God long wol ia long ol las dei. Nomata we plante long ol seksen ia oli go long ol memba blong Jos Ia blong Jisas Kraes blong Ol Lata-dei Sent, ol mesej, ol woning, mo ol fasin blong askem strong samting oli blong gud blong evri kaen man, mo buk ia i tekem wan invitesen i go long evri pipol long evri ples blong harem voes blong Lod Jisas Kraes, we i stap toktok long olgeta from gudfala laef blong olgeta long wol ia mo Lod i save sevem sol blong olgeta blong taem we i no save finis.

Plante long ol revelesen ia insaed long buk ia, oli kam tru long Josef Smit Junia, fas profet mo presiden blong Jos Ia blong Jisas Kraes blong Ol Lata-dei Sent. Ol narafala revelesen, oli bin kam tru long sam we oli bin kam afta long hem insaed long Presidensi (luk long ol heding blong ol seksen 135, 136, mo 138, mo Ol Ofisol Toktok 1 mo 2).

Buk blong Doktrin mo Ol Kavenan i wan long ol standet tabu wok blong Jos we i go wetem Tabu Baebol, Buk blong Momon, mo Perel we I Gat Bigfala Praes. Be, Doktrin mo Ol Kavenan, i spesel tumas from se i no wan translesen blong wan pepa blong bifo, be i kamaot long taem naoia, mo God i bin givim tru long ol profet we Hem i bin jusum blong putumbak tabu wok blong Hem mo blong stanemap kingdom blong God long wol ia long taem naoia. Insaed long ol revelesen, wan i save harem kaen be strong voes blong Lod Jisas Kraes, we i stap toktok bakegen long dispensesen ia blong taem blong evri wok blong God i kamtru; mo wok we i stap insaed i blong mekem yumi rere long Seken Kaming blong Hem, blong mekem i kamtru mo blong i go stret wetem ol toktok blong evriwan long ol tabu profet stat long taem we wol i stat.

Josef Smit Junia i bon long 23 Disemba 1805, long Saron, Windso Kaonti, Vemon. Long yangfala laef blong hem, hem i bin muv wetem famli blong hem i go long ples we tedei oli singaotem Manjesta, long Wes pat blong Niu Yok. Long Spring blong yia 1820, taem hem i bin stap laef long ples ia, mo hem i bin gat 14 yia, nao hem i bin gat fas visen blong hem; mo long visen ia, God, Papa we I No Save Finis, mo Pikinini blong Hem, Jisas Kraes, Tufala i bin visitim hem. Long visen ia, Tufala i bin talem long hem se tru Jos Ia blong Jisas Kraes, we Jisas i bin stanemap long taem blong Niu Testeman, mo i bin gat gospel we i fulwan, i nomo stap long wol. Ol nara tabu taem oli bin hapen, mo long ol taem ia plante enjel oli bin tijim hem; oli bin soem long

hem se God i bin gat wan spesel wok blong hem i mekem long wol, mo tru long hem, bae Jos Ia blong Jisas Kraes bae i kambak long wol.

Afta long sam taem, wetem help we i kam long heven, Josef Smit i bin save transletem mo printim Buk blong Momon. Bitwin taem ia, hem mo Oliva Kaodri, Jon Baptaes i bin odenem tufala long Aronik Prishud, long Mei 1829 (luk long D&K 13), mo i no longtaem afta, ol Aposol blong bifo, Pita, Jemes mo Jon oli bin odenem tufala long Melkesedek Prishud (luk long D&K 27:12.) Ol narafala odinens oli bin kam afta, long taem we Moses, Elaeja, Elaeas, mo plante profet blong bifo oli bin givim ol ki blong prishud (luk long D&K 110; 128:18, 21). I tru we, ol odinesen ia, oli blong putumbak atoriti we i kam long heven i kam long man long wol. Long namba 6 Epril 1830, anda long daereksen we i kam long heven, Profet Josef Smit i bin oganaesem Jos, mo olsem ia nao, tru Jos Ia blong Jisas Kraes i bin stap wok bakegen olsem wan oganaesesen long medel blong ol man, wetem atoriti blong tijim gospel mo mekem ol odinens blong fasin blong sevem man. (Luk long D&K 20 mo Perel we I Gat Bigfala Praes, Josef Smit—Histri 1.)

Ol tabu revelesen ia, oli bin kasem olgeta olsem ansa blong prea, long ol taem we i bin gat nid from, mo i bin kamaot folem ol tru situesen blong laef abaot ol tru pipol. Profet mo olgeta we oli wok wetem hem, oli bin lukaotem help we i kam long heven, mo ol revelesen ia oli talem se i tru se oli bin kasem help. Insaed long ol revelesen ia, wan i save luk restorenen mo gospel blong Jisas Kraes we i stap kambak mo stat blong dispensesen ia blong taem evri wok blong God i kamtru. Wokbaot blong Jos i go long Wes, stat long Niu Yok mo Pensilvania i go long Ohio, mo Misuri, mo Ilinoia, mo laswan i go long Bigfala Flat Ples blong Wes Amerika mo ol bigfala hadwok blong olgeta Sent blong traem bildimap Saeon long wol long taem blong tedei, oli kamaot tu insaed long ol revelesen ia.

Plante long ol fas seksen oli tokbaot ol samting long saed blong wok blong transletem mo pablisim Buk blong Momon (luk long ol seksen 3, 5, 10, 17, mo 19). Sam seksen afta, i soemaot wok blong Profet Josef Smit blong mekem wan translesen blong Baebol tru long insperesen, mo tru long wok ia, hem i bin kasem plante long ol seksen wetem ol bigfala doktrin (eksampol, luk long ol seksen 37, 45, 73, 76, 77, 86, 91, mo 132; wanwan long olgeta i go stret wetem wok blong transletem Baebol).

Insaed long ol revelesen, oli presentem ol doktrin blong gospel wetem ol toktok we i eksplenem ol stamba samting, olsem huia hem i Godhed, man i kamaot wea, sapos Setan i tru, stamba tingting blong gat wan bodi we i save ded, from wanem i nid blong gat fasin blong stap obei, nid blong gat fasin blong sakem sin, ol wok blong Tabu Spirit, ol odinens mo ol samting blong mekem blong wok blong fasin blong sevem man i hapen, fiuja blong wol, ol fiuja laef blong man afta

long Laef Bakegen long Ded mo Jajmen, fasin we rilesen blong mared i stap blong taem we i no save finis, mo wanem i famli we i no save finis. Semmak, hem i soemaot sloslo wanem hem i fasin blong administresen blong Jos, wetem ol koling blong ol bisop, Fas Presidensi, Kaonsel blong Olgeta Twelef, mo Olgeta Seventi mo taem oli stane-map ol narafala prisaeiding ofis, mo ol kworom. Laswan, testimoni we buk ia i givim abaot Jisas Kraes—olsem wanem Hem i tabu, Hem i gat glori, Hem i stret evriwan, Hem i gat lav, Hem i gat paoa blong pemaot man—mo hemia i mekem buk ia i gat bigfala praes long famli blong man mo “Jos i tekem se praes blong hem i moa bigwan bitim ol rij samting blong ful Wol ia” (luk long heding blong D&K 70).

Ol revelesen, long fas ples, ol man blong raet blong Josef Smit oli bin raetendaon olgeta, mo ol memba blong Jos oli glad mo hariap blong serem wetem ol narafala man, ol kopi blong ol revelesen ia, we oli raetem long han. Blong mekem se ol rekod ia oli stap blong wan longfala taem, ol man blong raet ia oli kopi ol revelesen ia blong mekem ol rekod buk, we ol lida blong Jos oli bin yusum blong rere blong printim ol revelesen ia. Josef mo ol fasfala Sent oli stap tekem ol revelesen ia long semfala wei we oli stap lukluk long Jos: i laef, i stap jenis, mo bae oli mekem i gud moa wetem moa revelesen. Oli bin luksave tu se i gat ol smol mistek we oli no minim blong mekem, i hapen taem oli bin stap kopi ol revelesen ia mo mekem olgeta oli rere blong printim. Olsem ia nao, wan konfrens blong Jos long yia 1831, i bin askem Josef Smit blong “stretem ol rong toktok, o ol mistek ia, we bae Hem i save faenem tru long Tabu Spirit.”

Afta we Josef Smit i luklukbak long ol revelesen mo i stretem olgeta, ol memba blong Jos long Misuri oli stat blong printim wan buk we oli singaotem *A Book of Commandments for the Government of the Church of Christ* (Wan Buk blong Olgeta Komanmen blong Lidim Jos Ia blong Kraes), we i tekem plante long ol fas revelesen blong Profet. Fas taem we oli traem blong pablisim ol revelesen ia, hemia i no bin gotru taem wan grup blong ol nogud man oli prapa spolem gud ofis blong printim ol buk long Jakson Kaonti long 20 Julae 1833.

Taem oli harem se oli prapa spolem gud ofis blong printim buk long Misuri, Josef Smit mo ol nara lida blong Jos oli statem blong rere long wok blong pablisim ol revelesen long Ketlan, Ohaeo. Long wok ia blong stretem bakegen ol mistek, mekem ol toktok oli klia, mo luksave ol developmen long doktrin blong Jos mo oganaesesen blong Jos, Josef Smit i bin mestem blong jenisim sam toktok blong sam revelesen blong mekem rere olgeta blong oli pablisim long yia 1835 olsem *Doctrine and Covenants of the Church of the Latter Day Saints* (Doktrin mo Ol Kavenan blong Jos Ia blong Ol Lata Dei Sent). Josef Smit i givim raet blong oli pablisim wan nara edisen blong Doktrin mo Ol Kavenan, we oli bin

pablisim nomo afta we sam nogud man oli bin kilimded Profet from bilif blong hem long yia 1844.

Ol fas Lata-dei Sent oli lukluk long ol revelesen ia se oli impoten tumas, mo oli lukluk long olgeta olsem ol mesej we oli kam long God. Long wan taem, kolosap long en blong yia 1831, samfala elda blong Jos oli talem tabu testemoni blong olgeta se Lod i testifae long sol blong olgeta se ol revelesen ia oli tru. Testemoni ia, oli pablisim long 1835 edisen blong Doktrin mo Ol Kavenan, olsem testemoni we oli raetem, blong Olgeta Twelef Aposol:

**TESTEMONI BLONG
OLGETA TWELEF BLONG TESTIFAE LONG TRUTOK BLONG

*Testemoni blong ol Witnes blong Buk blong Ol Komanmen
blong Lod; ol komanmen ia we Lod i bin givim long
Jos blong hem tru long Josef Smit Junia, we voes blong
Jos i bin putum hem from stamba tingting ia.*

From hemia, mifala i wantem talem testemoni blong mifala long ful wol blong evri kaen man, long evriwan we i stap long fes blong wol, se Lod i bin testifae long sol blong mifala, tru long Tabu Spirit we i bin kam antap long mifala, se ol komanmen ia oli kam tru long insperesen we i kam long God, mo i blong gud blong evri man, mo ol komanmen ia oli tru tumas.

Mifala i talem testemoni ia i go long wol, mo Lod i man we i givhan long mifala; mo hem i tru long gladhat blong God Papa, mo Pikinini blong Hem, Jisas Kraes, we mifala i gat spesel janis ia blong talemaot testemoni ia long wol, mo mifala i glad tumas long hem, mo stap prea long Lod se bae hem i blong gud blong ol pikinini blong ol man oltaem.
