Arecibo, Puerto Rico

*After Hurricane Maria devastated Puerto Rico in September 2017, Abner and Midalys moved to Florida, USA. Soon they received a prompting in the temple to move back to Puerto Rico and open a barbershop.*

### Abner

I found a small unit we could rent for our barbershop. When the owner told me the cost for rent, it was more than we could afford. I asked if he could lower the cost. He called me later and said, "I want to know who I'm renting to. Bring your wife so I can meet her."

### Midalys

We prayed that he would see that we are good people. After meeting him, he said, "God is helping you. I've had this space for a long time. Many people have asked to rent it, but it never felt right. I feel strongly that you are good people."

He lowered the rent for three years. I was surprised. He said the exact words my husband and I had prayed for.

### Abner

We are now much more secure and peaceful. We're making money, and we are blessed.

### Midalys

God loves and guides us. Returning to Puerto Rico was the right thing for our family. This was Heavenly Father's perfect plan for us.
