

While You're **Watching** Conference

Conference Bingo

Before conference starts, fill in the empty squares with the words below. When you hear a speaker say one of the words, put a button, piece of candy, or other small marker on that square. The first person to connect four squares (across, down, or diagonal) is the winner! Then clear the board and play again. Print more copies at friend.lds.org.

Tie Time

Chloe S., age 7, from Montana, USA, drew the ties and necklaces she saw during general conference. How many can you draw this conference?
