

Furry Fun

Camila and her brother Tomás found a fun and furry way to serve their neighbors! Every Saturday, they walk dogs for people who have a hard time getting around.

Cut out the strips showing the dogs and tape them together. Then cut along the dotted lines to the left and right. Slide the strip through the two dotted lines to see the dogs!

Check out page 26 to see Camila and Tomás at a dog park.

And learn how to draw a dog!
