

# General Conference

By Jordan Monson Wright

King Benjamin  
once taught his  
people from a  
tower tall.

The message  
went from  
tent to tent  
until it  
reached  
them all.

Now when the  
prophet speaks  
today, I watch  
him on a screen.

And then I  
see him when  
I read the  
*Friend's* next  
magazine!
