

Cut out the story and the pictures to tell the story of the first Easter (see Luke 24).

The FIRST EASTER

After Jesus Christ died, his body was laid in a **tomb**. On Sunday, **women** came to care for His body. They found His tomb **open** and empty. **Angels** said that Jesus was alive again! This was the first Easter. **Jesus** visited His **followers** and showed them His resurrected body. He **ate** with them and taught them before returning to Heavenly Father. Jesus saved us from death and sin. He loves us!
