

Sirens and Scriptures

By David Dickson
Church Magazines
(Based on a true story)

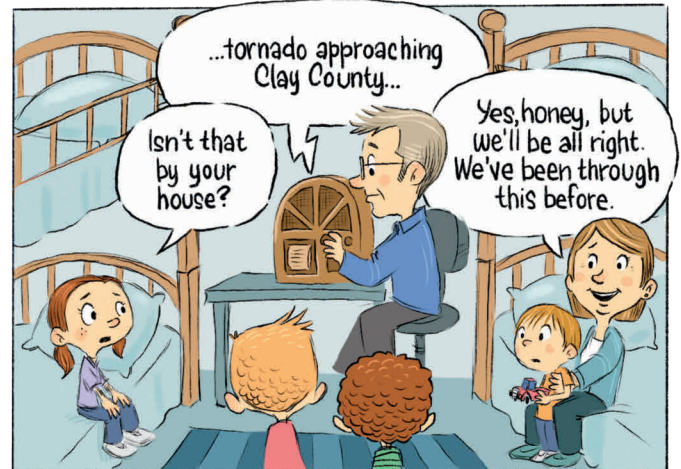

Grandpa, do you have any starfish?

Go fish!

What's that sound?

Tornado warning! Everyone downstairs!

...tornado approaching Clay County...

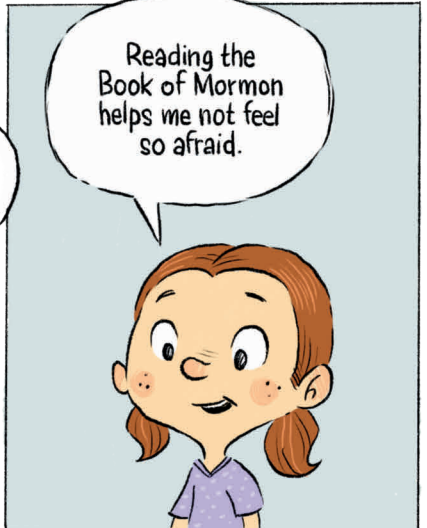

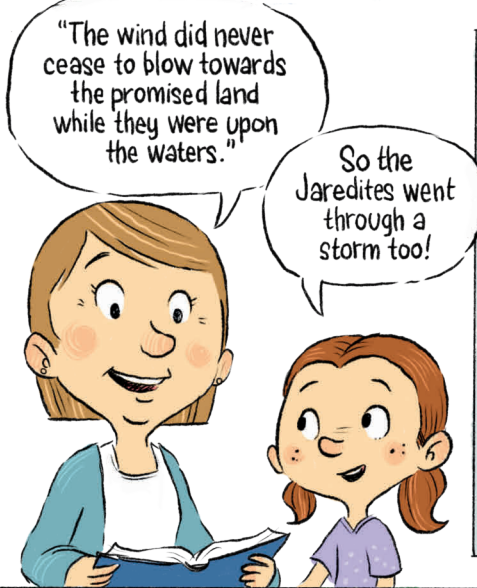

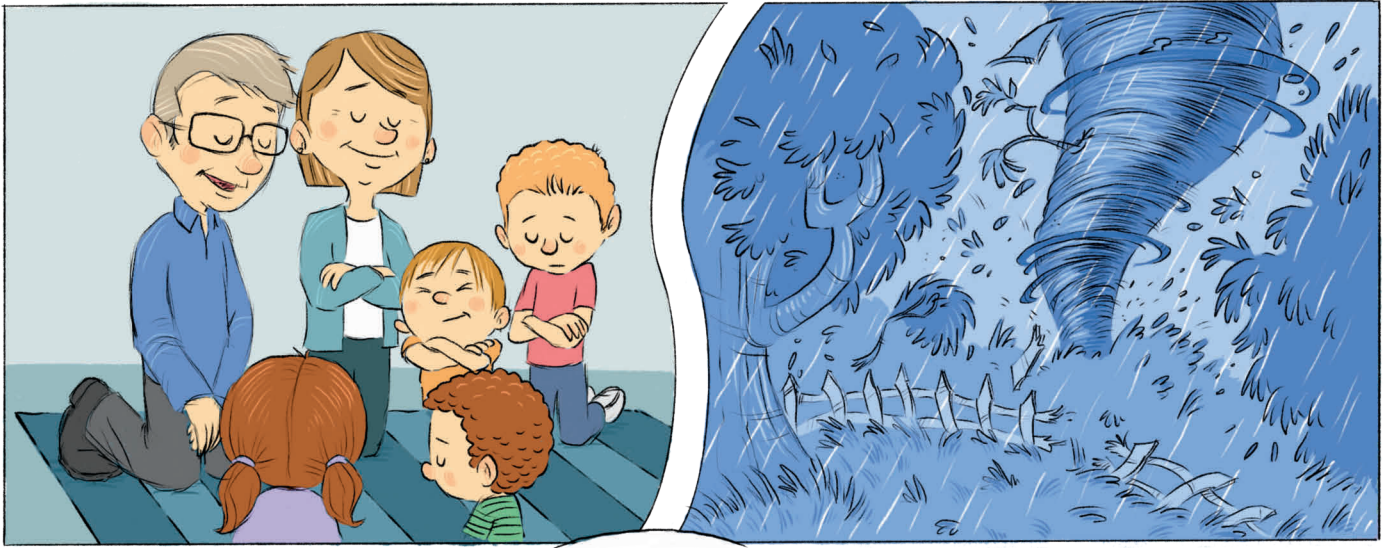

Isn't that by your house?

Yes, honey, but we'll be all right. We've been through this before.

Glad we have these supplies down here.

I think we should say a prayer.

Thanks to Eily for sharing your story!
